On August 16, 2012, the governing body adopted Ordinance #12-14 that changes the sewer rates and allows for subsequent annual increases. The current increase will go into effect November 2017 and customers will begin to see changes in their bills that go out beginning in December. Below is a description of the changes in the rates and a copy of the adopted rate schedules. If you have any questions regarding the rate changes please contact Utility Customer Service at 505-454-3832.

Waste Water charges will follow the rate schedule below and will depend on the size of your meter and location.
