City of Las Vegas Float Inspection Checklist

Name of Float: _____

Owner: _____

Address: _____

Phone: _____

_____ A minimum five (5) pound Fire Extinguisher is required. The Las Vegas Fire Department (LVFD) will not lend out extinguishers. Please do not ask.

_____ Extension cords and lights must be UL approved. Frayed or cracked extension cords will not be allowed.

_____ Floats must be made of non-flammable, non-combustible material. No cardboard or paper stuffing.

_____ If you carry a gas can for your float, it must be approved for gas containment and kept away from all lighting or any heat source including generators.

_____ If you use more than one extension cord, you will need an electric power strip with a breaker or a GFI receptacle.

_____ Children must be well secured and away from generator.

_____ All generators must be filled before the beginning of the light parade. No filling of generators will be allowed during the parade.

_____ Suggested materials are: Styrofoam, 2 inch insulation panels, foam board, cellutex, chicken wire, as well as plywood.

_____ Floats may be inspected three (3) hours prior to parade. It is recommended that you call LVFD for an inspection (Phone 505-425-6321) in the days prior to the parade since on site inspection may not allow for corrections of deficiencies.
