BUSINESS ITEMS

1. Approval/Disapproval to adopt Resolution 18-15 Run-Off Election for the City of Las Vegas.

City Clerk Casandra Fresquez thanked the Governing body for approving the Special meeting and gave a recap of the March 6, 2018 Election advising that Canvassing took place on March 8th at 10:00 a.m. with Magistrate Judge Christian Montano, County Clerk Geraldine Gutierrez, County Deputy Clerk Louanna Sanchez, Deputy Clerk Danielle Sena and herself being present.

City Clerk Fresquez advised the Governing body of the number of voters that had voted and informed that after some research, she found that Ward 1 had about 2,500 registered voters with only 557 voting in the March 6th election and that in Ward 4, 2,400 were registered to vote and only 584 voted. She also advised that the number of city wide voters for Municipal Judge was 1,693, out of approximately 10,000 registered voters.

City Clerk Fresquez informed that the total number of voters for the March 6th, 2018 Election was 2,834. She encouraged everyone to tell friends, family and co-workers to go out and vote and advised that she would be informing the public about the Run-Off Election over the radio the following Friday.

Councilor Casey had a question regarding the term “in lieu of”.

City Clerk Fresquez explained that during Canvassing if they have anyone who did not receive their ballot through the mail and go vote on Election day, they must sign a certification stating that they did not receive their ballot and that they are voting “in lieu of” that absentee ballot. She advised that during canvassing the in

lieu of is reviewed by the canvassing board and there was a total of 6 “in lieu of” ballots.

City Clerk Casandra Fresquez advised that in accordance with the City of Las Vegas Municipal charter, a candidate must receive fifty percent (50%) plus one (1) of the votes cast for the particular office or a run-off-election shall be held between the two candidates receiving the highest number of votes which shall be held within forty five (45) days after certification of the result of the election. This resolution will allow the city Clerk’s Office to proceed with preparation for the run-off election.

City Clerk Fresquez advised that the Election calendar for the April 17, 2018 run-off was only a small portion of the preparation for the run-off election which was provided to all candidates and was also posted on the City’s website. She stated that if approved, Resolution 18-15 would also be available on the website and would be sent to the New Mexico Secretary of State and to San Miguel County Clerk’s Office.

City Clerk Fresquez gave a detailed overview of Resolution No. 18-15 Run-Off Election for the City of Las Vegas, New Mexico. She informed that in the race for Municipal Judge, Eddie Trujillo received 73.14% of the votes.

Councilor Casey advised that many constituents commented on how easy it was to locate the voting sights during the election and that they were pleased with the outcome of the way things were set up.

City Clerk Fresquez advised that March 12, 2018 would be the first day to register to vote with the County Clerk’s Office and the books would close on March 30, 2018. She added that election would take place on April 17, 2018 with canvassing taking place on April 19, 2018 and stated that candidates would take the oath by April 23, 2018. City Clerk Fresquez added that Municipal Judge Eddie Trujillo had taken his oath on time and that the Organizational meeting would take place between April 23rd and May 8th.

Councilor Casey made a motion to approve to adopt Resolution 18-15 Resolution 18-15 Run-Off Election for the City of Las Vegas. Councilor Romero seconded the motion. Mayor Gurulé-Girón asked for roll call. Roll Call Vote was taken and reflected the following:

APPROVAL OF AGENDA

Councilor Casey had a question regarding the agenda and the audit findings for the Housing Authority and stated that the findings were to be responded to by City Hall staff and asked why the responses were not on the agenda for review.

Mayor Tonita Gurulé-Girón advised that it was her understanding that it would be reviewed during a regular meeting and asked Interim City Manager Gallegos for the status regarding that matter.

Interim City Manager Gallegos advised that they were Depository Agreements which were Federal compliant and added that they did respond. She informed that a draft response of accounting procedures was submitted and the reasoning for a draft was due to the need of HUD reviewing them before bringing them to Council for final approval.

Councilor Casey asked if the same procedure was going to be done for the Special Audit findings and stated that it was her understanding from the State Auditor's Office that they had already been in possession of the City for awhile.

Interim City Manager Gallegos advised that they had received the Special Audit and that the management responses were submitted back to the auditor on March 8th and were scheduling an exit conference for early next week on Tuesday, with the State Auditor and the auditor as well. She advised that it would go back to the State Auditor's Office for the final approval and brought back to Mayor and Council.

Councilor Casey asked if at least one Councilor would be able to be present at the exit conference.

Interim City Manager Gallegos advised that question had been raised although if one Councilor was included, then all Councilors needed to be included and advised the auditor of perhaps forming a quorum. She added that exit conferences were usually attended by the Mayor, City Manager and by Finance Director and stated that was where she left it.

Councilor Casey asked Interim City Manager Gallegos, if she would consider having the exit conference if she would post a Special meeting at the council.

Interim City Manager Gallegos advised that she would not consider it due to it being an exit conference and that it was for management review only.

Councilor Casey asked when the Council would receive the copy of the Special Audit Findings and if they had given a timeline for release.

Interim City Manager Gallegos advised that they had not given a timeline although would ask about the timeline when they would meet and added that normal period for holding the report after the exit conference was a least 5 days although may be longer and explained that Special Audits were different. She advised that once it

was released by the State Auditor, it would be posted on their website and then it would be available for Mayor and Council and advised that as soon as it was released it would be forwarded to Council.

Councilor Casey asked if they were meeting next Tuesday, then by Wednesday they should have a better idea of a timeline.

Interim City Manager Gallegos advised the normal period to hold it was at least 5 days although may be extended for a further timeline and that she would not know until it was released by the State Auditor and would forward it to Council as soon as they would receive it.

Councilor Casey asked Interim City Manager Gallegos if an update could be given at next week's City Council meeting if she learned anything different or new regarding the Special Audit that Council needed to know.

Interim City Manager Gallegos agreed to give an update if any other information would arise and advised that she would ask the State Auditor how much they could release because it would be in their hands for a five day period for their review and would be released when finalized.

Councilor Casey stated that was what they were told by the State Auditor when they had done their presentation although asked due to the exit conference being postponed twice, she was curious as to when the results might be released to Council and for the general public that was really interested in knowing what was going on.

Councilor Howell made a motion to approve the agenda as is. Councilor Ulibarri, Jr. seconded the motion. Mayor Gurulé-Girón asked for roll call. Roll Call Vote was taken and reflected the following:

| | | | |

City Clerk Fresquez re-read the motion and advised that the motion carried.

PUBLIC INPUT

Interim City Manager Ann Marie Gallegos advised there was no one signed up for Public Input.

DISCUSSION ITEMS

1. Resolution #18-16 Budget Adjustment Resolution.

Interim Finance Director Tana Vega advised that the City of Las Vegas was requesting increases to the FY 2018 budgeted revenues and expenditures, transfers to and from within various funds of the FY 2018 budget.

Councilor Casey advised that regarding the budget adjustments, she was pleased to hear the CLG Grant for \$25,000.00 would go towards infrastructure toward the old city hall building located on 6th Street.

The Governing Body agreed to place the item as a consent agenda item.

2. Award request for proposals #2018-17 for printing and mailing services for the Utilities Department.

Utilities Director Maria Gilvarry advised that printing and mailing services were necessary to ensure efficient and prompt delivery of utility bills to the City of Las Vegas customers each month. She explained that the Utilities Department had gone out for an RFP to obtain printing and billing services due to the previous contract coming to the end of its four year agreement. Utilities Director Gilvarry informed they had six respondents and added that Customer Service staff was part of the evaluation team.

Customer Service Manager Jodi Marquez advised that during the evaluation process found that the company, The Master's Touch Company was most qualified and informed that they provided 24 hr. Turn around time, NCOA (National Change of Address) and provided barcodes on billing in order to track bills, a service that was not provided by the current company, Postal Pros.

Utilities Director Gilvarry advised that it would be a benefit for the department as well as the community to go with The Master's Touch Company, and informed of an incident that recently occurred with the current company not sending out billing to one cycle for two months in a row, resulting in 500-600 customers not receiving their bill, unable to track the billing with the company later admitting to not

sending out the billing. She advised that The Master's Touch Company was slightly higher on some rates although costs would be less expensive for bulk rate postage which was 2¢ per mailing as opposed to other companies which were charging 37 ½ cents per mailing and stated that this company was adapt to working with Tyler.

Mayor Gurulé-Girón commended Utilities Director Gilvarry and staff for completing the RFP process in an impressive and thorough manner.

Councilor Casey brought attention to the scoring sheet under Campaign Disclosure line indicating zero for The Master's Touch company.

Interim City Manager Gallegos addressed the question stating that The Master's Touch did not have the Campaign Disclosure form although the Procurement Officer saw that it was insignificant information allowing them to proceed with the awarding and reviewing of the RFP and advised they could still contact The Master's Touch company before awardment and have them submit the form appropriately.

Brief discussion took place of a previous RFP that had been rejected due to the company's identification form that had not been provided.

Councilor Howell asked what would happen if Master's Touch did not submit the Campaign Disclosure form by next week.

Interim City Manager Gallegos advised if it was not submitted by then, it would be brought back to Mayor and Council although stated that it was not significant enough to stop the process.

The Governing body agreed to place the item as a consent agenda item.

Utilities Director Gilvarry gave an update regarding the "4 Wards in 4 Weeks" program reporting that in 3 days they had picked up 12,000 pounds of trash from Ward 1, she thanked everyone for their participation and would continue on the rest of the wards. She encouraged the public to attend on Saturday mornings at Plaza Park at 8:45 a.m.

3. Publication of Ordinance #18-02 amending Chapter 389-4 and 389-15A2 Imposition of tax and use of monies.

Media Coordinator Virginia Marrujo advised that the City of Las Vegas Lodgers Tax Advisory Board was regulated by NMSA Lodgers Tax Act 3038-13-3-38-24, NMSA 6-6-4. 1, and by City of Las Vegas Ordinance Chapter 389-1 to 389-18. City council is charged with administering the funds and the board is to make recommendations for the expenditure of funds authorized pursuant to this article for advertising, publicizing and promoting tourist related attractions, facilities and events in the City. She advised that the Lodger's Tax Board was requesting the 1% percent increase bringing it to 5% solely for the use of tourist related infrastructure.

Interim City Manager Gallegos advised that this was a recommendation from the Lodger's Tax Advisory Board and that Mr. Garofalo had presented the increase at the last Council meeting and informed that most municipalities had gone from 4% to 5% and that they felt the imposing of this tax would greatly benefit the City of Las Vegas.

Councilor Howell asked if there was a list created in regards to what type of tourist related infrastructure would be considered.

Media Coordinator Marrujo advised that there was not a specific list at the moment, that it was basically as projects come up at that time for monies to be used and she mentioned the E. Romero Fire Station project being turned into a tourist attraction museum.

Councilor Howell asked if there had been discussion regarding "Wayfinding" signs.

Ms. Marrujo advised that there had been discussion about "Wayfinding" and that it was a big topic that would be discussed at the next Lodger's Tax Board meeting.

Discussion took place regarding the many benefits of purchasing billboards as opposed to renting and on the positive feedback from the public and tourists pertaining to billboard advertising.

Councilor Howell asked if the Lodger's Tax Board had already prepared the 2018-2019 budget.

Interim City Manager Gallegos advised that the Lodger’s Tax Board would be submitting their recommendations in April although stated that she was not sure whether they would be able to forecast the dollar amount received from the 1% increase and that they would be working on that as well and that would help with the budget as well for the following year.

Councilor Casey made the recommendation regarding Ordinance #18-02, under Section 389-4 Imposition of tax, to read: “There is hereby imposed an occupancy tax of 5% of gross taxable rent for lodging paid to vendors within the City”.

Interim City Manager Gallegos advised that the changes would be made on the ordinance.

The Governing body agreed to place the item as a consent agenda item.

EXECUTIVE SESSION

Interim City Manager Gallegos advised that there was no need to go into Executive Session at this time.

Las Vegas, NM 87701

American Tower Site No. 417758

Dear Chief Montoya,

Enclosed is the Amendment that will add 30 additional years to the existing lease. You will still collect your rent and your rent will continue to escalate 15% each 5 year term for all current and additional terms. I have flagged where you need to have signed or notarized. No witness signatures are necessary for the State of New Mexico.

Please complete the W-9 enclosed to expedite the one-time payment of \$50,000.00. We will order title and a survey once we receive the signed documents. It usually takes 30-45 days to close after you send in the signed paperwork.

For the Resolution and Consent section, it will not be necessary to complete if you can provide the Minutes to the meeting showing approval of the lease extension and designating Ann Marie Gallegos to sign the Amendment. If you don't have Minutes, then the Resolution and Consent Affidavit will need to be signed by all those with signing authority.

We only need one signed document from you. I will e-mail you a copy of the fully executed Agreement when we counter sign. Use the enclosed pre-paid FedEx envelope to return the signed paperwork. Drop at any FedEx location. Please don't hesitate to call me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Beth Henson".

THE FIRST AMENDMENT TO COMMUNICATIONS SITE OPTION AND LAND LEASE AGREEMENT

This First Amendment to Communications Site Option and Land Lease Agreement (this "**Amendment**") is made effective as of the latter signature date hereof (the "**Effective Date**") by and between **City of Las Vegas** ("**Landlord**") and **Alltel Communications, LLC d/b/a Verizon Wireless** ("**Tenant**") (Landlord and Tenant being collectively referred to herein as the "**Parties**").

RECITALS

WHEREAS, Landlord owns the real property described on **Exhibit A** attached hereto and by this reference made a part hereof (the "**Parent Parcel**"); and

WHEREAS, Landlord (or its predecessor-in-interest) and Tenant (or its predecessor-in-interest) entered into that certain Communications Site Option and Land Lease Agreement dated September 17, 2003 (as the same may have been amended, collectively, the "**Lease**"), pursuant to which the Tenant leases a portion of the Parent Parcel and is the beneficiary of certain easements for access and public utilities, all as more particularly described in the Lease (such portion of the Parent Parcel so leased along with such portion of the Parent Parcel so affected, collectively, the "**Leased Premises**"), which Leased Premises are also described on **Exhibit A**; and

WHEREAS, Tenant, Verizon Communications Inc., a Delaware corporation, and other parties identified therein, entered into a Management Agreement and a Master Prepaid Lease, both with an effective date of March 27, 2015 and both with ATC Sequoia LLC, a Delaware limited liability company ("**American Tower**"), pursuant to which American Tower subleases, manages, operates and maintains, as applicable, the Leased Premises, all as more particularly described therein; and

WHEREAS, Tenant has granted American Tower a limited power of attorney (the "**POA**") to, among other things, prepare, negotiate, execute, deliver, record and/or file certain documents on behalf of Tenant, all as more particularly set forth in the POA; and

WHEREAS, Landlord and Tenant desire to amend the terms of the Lease to extend the term thereof and to otherwise modify the Lease as expressly provided herein.

NOW THEREFORE, in consideration of the foregoing recitals and the mutual covenants set forth herein and other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. **One-Time Payment.** Tenant shall pay to Landlord a one-time payment in the amount of **Fifty Thousand and No/100 Dollars (\$50,000.00)**, payable within thirty (30) days of the Effective Date and subject to the following conditions precedent: (a) Tenant's receipt of this Amendment executed by Landlord, on or before February 28, 2018; (b) Tenant's confirmation that Landlord's statements as further set forth in this Amendment are true, accurate, and complete, including verification of Landlord's ownership; (c) Tenant's receipt of any documents and other items reasonably requested by Tenant in order to effectuate the transaction and payment contemplated herein; and (d) receipt by Tenant of an original Memorandum (as defined herein) executed by Landlord.
2. **Lease Term Extended.** Notwithstanding anything to the contrary contained in the Lease or this Amendment, the Parties agree the Lease originally commenced on November 17, 2003 and, without giving effect to the terms of this Amendment but assuming the exercise by Tenant of all remaining renewal options contained in the Lease (each an "**Existing Renewal Term**" and, collectively, the "**Existing Renewal Terms**"), the Lease is otherwise scheduled to expire on November 16, 2028. In addition to any Existing Renewal Term(s), the Lease is hereby amended to provide Tenant with the option to extend the Lease for each of six (6) additional five (5) year renewal terms (each a "**New Renewal Term**" and, collectively, the "**New Renewal Terms**"). Notwithstanding anything to the contrary contained in the

ATC Site No: 417758

Lease, (a) all Existing Renewal Terms and New Renewal Terms shall automatically renew unless Tenant notifies Landlord that Tenant elects not to renew the Lease at least sixty (60) days prior to the commencement of the next Renewal Term (as defined below) and (b) Landlord shall be able to terminate this Lease only in the event of a material default by Tenant, which default is not cured within sixty (60) days of Tenant's receipt of written notice thereof, provided, however, in the event that Tenant has diligently commenced to cure a material default within sixty (60) days of Tenant's actual receipt of notice thereof and reasonably requires additional time beyond the sixty (60) day cure period described herein to effect such cure, Tenant shall have such additional time as is necessary (beyond the sixty [60] day cure period) to effect the cure. References in this Amendment to "**Renewal Term**" shall refer, collectively, to the Existing Renewal Term(s) and the New Renewal Term(s). The Landlord hereby agrees to execute and return to Tenant an original Memorandum of Lease in the form and of the substance attached hereto as **Exhibit B** and by this reference made a part hereof (the "**Memorandum**") executed by Landlord, together with any applicable forms needed to record the Memorandum, which forms shall be supplied by Tenant to Landlord.

3. **Rent and Escalation.** The rent payable from Tenant to Landlord under the Lease currently is and shall remain **Fifteen Thousand Eight Hundred Seventy and No/100 Dollars (\$15,870.00)** per year (the "**Rent**"). Commencing on November 17, 2018 and on the beginning of each Renewal Term thereafter, Rent due under the Lease shall increase by an amount equal to fifteen percent (15%) of the then current Rent. In the event of any overpayment of Rent prior to or after the Effective Date, Tenant shall have the right to deduct from any future Rent payments an amount equal to the overpayment amount. Notwithstanding anything to the contrary contained in the Lease, all Rent and any other payments expressly required to be paid by Tenant to Landlord under the Lease and this Amendment shall be paid to **City of Las Vegas NM**. The escalations in this Section shall be the only escalations to the Rent and any/all rental escalations otherwise contained in the Lease are hereby null and void and of no further force and effect.
4. **Landlord and Tenant Acknowledgments.** Except as modified herein, the Lease and all provisions contained therein remain in full force and effect and are hereby ratified and affirmed. The Parties hereby agree that no defaults exist under the Lease. To the extent Tenant needed consent and/or approval from Landlord for any of Tenant's activities at and uses of the site prior to the Effective Date, including subleasing to American Tower, Landlord's execution of this Amendment is and shall be considered consent to and approval of all such activities and uses and confirmation that no additional consideration is owed to Landlord for such activities and uses. Landlord hereby acknowledges and agrees that Tenant shall not need consent or approval from, or to provide notice to, Landlord for any future activities at or uses of the Leased Premises, including, without limitation, subleasing and licensing to additional customers, installing, modifying, repairing, or replacing improvements within the Leased Premises, and/or assigning all or any portion of Tenant's interest in this Lease, as modified by this Amendment. Tenant and Tenant's sublessees and customers shall have vehicular (specifically including truck) and pedestrian access to the Leased Premises from a public right of way on a 24 hours per day, 7 days per week basis, together with utilities services to the Leased Premises from a public right of way. Upon request by Tenant and at Tenant's sole cost and expense and for no additional consideration to Landlord, Landlord hereby agrees to promptly execute and return to Tenant building permits, zoning applications and other forms and documents, including a memorandum of lease, as required for the use of the Leased Premises by Tenant and/or Tenant's customers, licensees, and sublessees. Landlord hereby appoints Tenant as Landlord's attorney-in-fact coupled with an interest to prepare, execute and deliver land use and zoning and building permit applications that concern the Leased Premises, on behalf of Landlord with federal, state and local governmental authorities, provided that such applications shall be limited strictly to the use of the Leased Premises as a wireless telecommunications facility and that such attorney-in-fact shall not allow Tenant to re-zone or otherwise reclassify the Leased Premises or the Parent Parcel. The terms, provisions, and conditions of this Section shall survive the execution and

delivery of this Amendment.

5. **Limited Right of First Refusal.** Notwithstanding anything to the contrary contained herein, this paragraph shall not apply to any fee simple sale of the Parent Parcel from Landlord to any prospective purchaser that is not a Third Party Competitor (as herein defined) or to American Tower. If Landlord receives an offer or desires to offer to: (i) sell or convey any interest (including, but not limited to, leaseholds or easements) in any real property of which the Leased Premises is a part to any person or entity directly or indirectly engaged in the business of owning, acquiring, operating, managing, investing in or leasing wireless telecommunications infrastructure (any such person or entity, a "**Third Party Competitor**") or (ii) assign all or any portion of Landlord's interest in the Lease to a Third Party Competitor (any such offer, the "**Offer**"), Tenant shall have the right of first refusal to purchase the real property or other interest being offered by Landlord in connection with the Offer on the same terms and conditions. If Tenant elects, in its sole and absolute discretion, to exercise its right of first refusal as provided herein, Tenant must provide Landlord with notice of its election not later than forty-five (45) days after Tenant receives written notice from Landlord of the Offer. If Tenant elects not to exercise Tenant's right of first refusal with respect to an Offer as provided herein, Landlord may complete the transaction contemplated in the Offer with the Third Party Competitor on the stated terms and price but with the express condition that such sale is made subject to the terms of the Lease, as modified by this Amendment. Landlord hereby acknowledges and agrees that any sale or conveyance by Landlord in violation of this Section is and shall be deemed to be null and void and of no force and effect. The terms, provisions, and conditions of this Section shall survive the execution and delivery of this Amendment. For the avoidance of doubt, American Tower, its affiliates and subsidiaries, shall not be considered a Third Party Competitor and this provision shall not apply to future transactions with American Tower, its affiliates and subsidiaries.

6. **Landlord Statements.** Landlord hereby represents and warrants to Tenant that: (i) to the extent applicable, Landlord is duly organized, validly existing, and in good standing in the jurisdiction in which Landlord was organized, formed, or incorporated, as applicable, and is otherwise in good standing and authorized to transact business in each other jurisdiction in which such qualifications are required; (ii) Landlord has the full power and authority to enter into and perform its obligations under this Amendment, and, to the extent applicable, the person(s) executing this Amendment on behalf of Landlord, have the authority to enter into and deliver this Amendment on behalf of Landlord; (iii) no consent, authorization, order, or approval of, or filing or registration with, any governmental authority or other person or entity is required for the execution and delivery by Landlord of this Amendment; (iv) Landlord is the sole owner of the Leased Premises and all other portions of the Parent Parcel; (v) to the best of Landlord's knowledge, there are no agreements, liens, encumbrances, claims, claims of lien, proceedings, or other matters (whether filed or recorded in the applicable public records or not) related to, encumbering, asserted against, threatened against, and/or pending with respect to the Leased Premises or any other portion of the Parent Parcel which do or could (now or any time in the future) adversely impact, limit, and/or impair Tenant's rights under the Lease, as amended and modified by this Amendment; and (vi) the square footage of the Leased Premises is the greater of Tenant's existing improvements on the Parent Parcel or the land area conveyed to Tenant under the Lease. The representations and warranties of Landlord made in this Section shall survive the execution and delivery of this Amendment. Landlord hereby does and agrees to indemnify Tenant for any damages, losses, costs, fees, expenses, or charges of any kind sustained or incurred by Tenant as a result of the breach of the representations and warranties made herein or if any of the representations and warranties made herein prove to be untrue. The aforementioned indemnification shall survive the execution and delivery of this Amendment.

7. **Confidentiality.** Notwithstanding anything to the contrary contained in the Lease or in this Amendment, Landlord agrees and acknowledges that all the terms of this Amendment and the Lease and any

information furnished to Landlord by Tenant or American Tower in connection therewith shall be and remain confidential. Except with Landlord's family, attorney, accountant, broker, lender, a prospective fee simple purchaser of the Parent Parcel, or if otherwise required by law, Landlord shall not disclose any such terms or information without the prior written consent of Tenant. The terms and provisions of this Section shall survive the execution and delivery of this Amendment.

8. **Notices.** All notices must be in writing and shall be valid upon receipt when delivered by hand, by nationally recognized courier service, or by First Class United States Mail, certified, return receipt requested to the addresses set forth herein: to Landlord at: City of Las Vegas, P.O. Box 160, 1700 N. Grand Ave., Las Vegas, NM 87701; to Tenant at: Verizon Wireless, Attn.: Network Real Estate, 180 Washington Valley Road, Bedminster, NJ 07921; with copy to: American Tower, Attn.: Land Management, 10 Presidential Way, Woburn, MA 01801; and also with copy to: Attn.: Legal Dept. 116 Huntington Avenue, Boston, MA 02116. Any of the Parties, by thirty (30) days prior written notice to the others in the manner provided herein, may designate one or more different notice addresses from those set forth above. Refusal to accept delivery of any notice or the inability to deliver any notice because of a changed address for which no notice was given as required herein, shall be deemed to be receipt of any such notice.
9. **Counterparts.** This Amendment may be executed in several counterparts, each of which when so executed and delivered, shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument, even though all Parties are not signatories to the original or the same counterpart. Furthermore, the Parties may execute and deliver this Amendment by electronic means such as .pdf or similar format. Each of the Parties agrees that the delivery of the Amendment by electronic means will have the same force and effect as delivery of original signatures and that each of the Parties may use such electronic signatures as evidence of the execution and delivery of the Amendment by all Parties to the same extent as an original signature.
10. **Governing Law.** Notwithstanding anything to the contrary contained in the Lease and in this Amendment, the Lease and this Amendment shall be governed by and construed in all respects in accordance with the laws of the State or Commonwealth in which the Leased Premises is situated, without regard to the conflicts of laws provisions of such State or Commonwealth.
11. **Waiver.** Notwithstanding anything to the contrary contained herein, in no event shall Landlord or Tenant be liable to the other for, and Landlord and Tenant hereby waive, to the fullest extent permitted under applicable law, the right to recover incidental, consequential (including, without limitation, lost profits, loss of use or loss of business opportunity), punitive, exemplary and similar damages.
12. **Tenant's Securitization Rights; Estoppel.** Landlord hereby consents to the granting by Tenant and/or American Tower of one or more leasehold mortgages, collateral assignments, liens, and/or other security interests (collectively, a "**Security Interest**") in Tenant's (or American Tower's) interest in this Lease, as amended, and all of Tenant's (or American Tower's) property and fixtures attached to and lying within the Leased Premises and further consents to the exercise by Tenant's (or American Tower's) mortgagee ("**Tenant's Mortgagee**") of its rights to exercise its remedies, including without limitation foreclosure, with respect to any such Security Interest. Landlord shall recognize the holder of any such Security Interest of which Landlord is given prior written notice (any such holder, a "**Holder**") as "Tenant" hereunder in the event a Holder succeeds to the interest of Tenant and/or American Tower hereunder by the exercise of such remedies. Landlord further agrees to execute a written estoppel certificate within thirty (30) days of written request of the same by Tenant, American Tower or Holder.

13. **Taxes.** The Parties hereby agree that Section 13 of the Lease is deleted in its entirety. During the term of the Lease, Landlord shall pay when due all real property, personal property, and other taxes, fees and assessments attributable to the Parent Parcel, including the Leased Premises. Tenant hereby agrees to reimburse Landlord for any personal property taxes in addition to any increase in real property taxes levied against the Parent Parcel, to the extent both are directly attributable to Tenant's improvements on the Leased Premises (but not, however, taxes or other assessments attributable to periods prior to the Effective Date), provided, however, that Landlord must furnish written documentation (the substance and form of which shall be reasonably satisfactory to Tenant) of such personal property taxes or real property tax increase to Tenant along with proof of payment of same by Landlord. Anything to the contrary notwithstanding, Tenant shall not be obligated to reimburse Landlord for any applicable taxes unless Landlord requests such reimbursement within one (1) year after the date such taxes became due. Landlord shall submit requests for reimbursement in writing to: *American Tower Corporation, Attn: Landlord Relations, 10 Presidential Way, Woburn, MA 01801* unless otherwise directed by Tenant from time to time. Subject to the requirements set forth in this Section, Tenant shall make such reimbursement payment within forty-five (45) days of receipt of a written reimbursement request from Landlord. Tenant shall pay applicable personal property taxes directly to the local taxing authority to the extent such taxes are billed and sent directly by the taxing authority to Tenant. If Landlord fails to pay when due any taxes affecting the Parent Parcel as required herein, Tenant shall have the right, but not the obligation, to pay such taxes on Landlord's behalf and: (i) deduct the full amount of any such taxes paid by Tenant on Landlord's behalf from any future payments required to be made by Tenant to Landlord hereunder; (ii) demand reimbursement from Landlord, which reimbursement payment Landlord shall make within thirty (30) days of such demand by Tenant; and/or (iii) collect from Landlord any such tax payments made by Tenant on Landlord's behalf by any lawful means.

EXHIBIT A

This Exhibit A may be replaced at Tenant's option as described below.

PARENT PARCEL

Tenant shall have the right to replace this description with a description obtained from Landlord's deed (or deeds) that include the land area encompassed by the Lease and Tenant's improvements thereon.

The Parent Parcel consists of the entire legal taxable lot owned by Landlord as described in a deed (or deeds) to Landlord of which the Leased Premises is a part thereof with such Parent Parcel being described below:

**Harold LeDoux Fire Station #1, 604 Legion Drive, Las Vegas, San Miguel County, NM,
Block 1. Mountain Addition**

EXHIBIT A (continued)

LEASED PREMISES

Tenant shall have the right to replace this description with a description obtained from the Lease or from a description obtained from an as-built survey conducted by Tenant.

The Leased Premises consists of that portion of the Parent Parcel as defined in the Lease which shall include access and utilities easements. The square footage of the Leased Premises shall be the greater of: (i) the land area conveyed to Tenant in the Lease; (ii) Tenant's (and Tenant's customers) existing improvements on the Parent Parcel; or (iii) the legal description or depiction below (if any).

The premises are located generally as indicated in the sketch attached hereto as Exhibit B. Owner and Tenant agree that upon Tenant's exercise of its option to Lease, Tenant will replace this Exhibit "A" with a revised Exhibit "A" which shall be a surveyed metes and bounds legal description of the Premises, and which shall specifically identify the length and dimension of the Premises upon which Tenant may construct, operate and maintain its Communications Facilities.

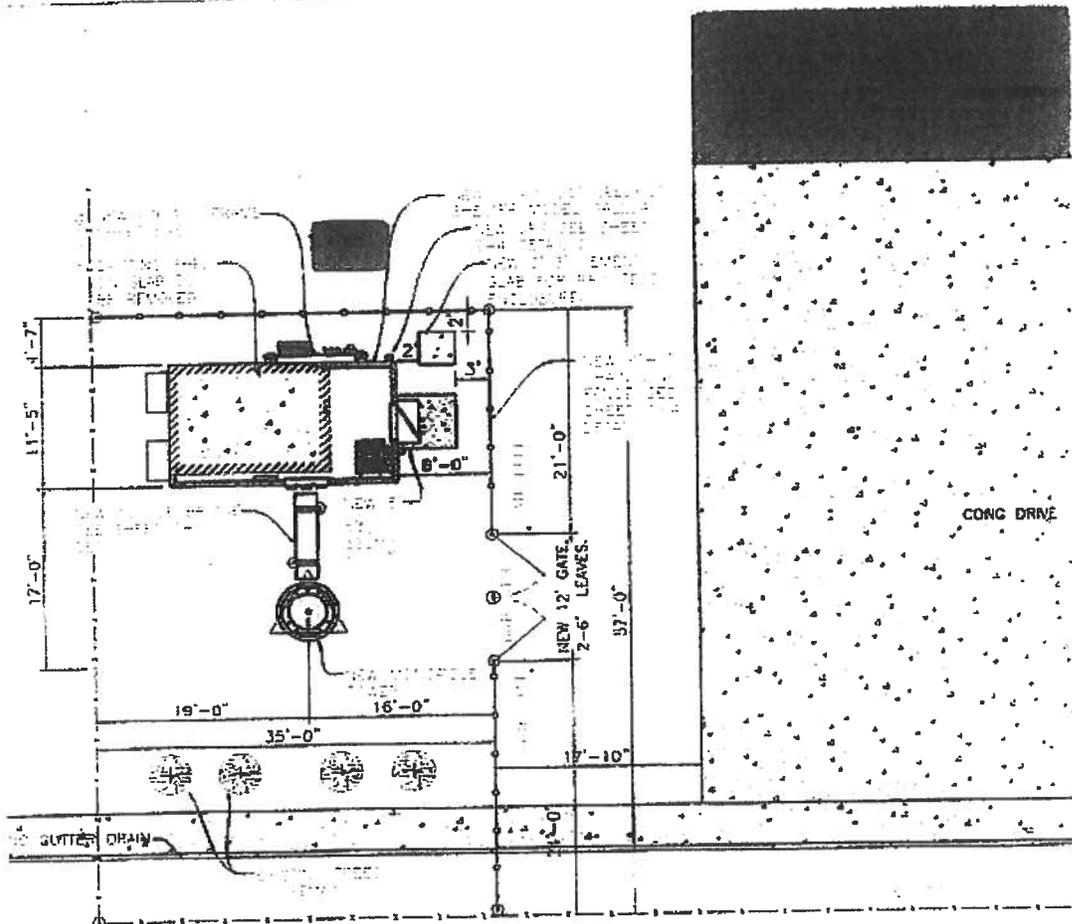

EXHIBIT A (continued)

ACCESS AND UTILITIES

The access and utility easements include all easements of record as well that portion of the Parent Parcel currently utilized by Tenant (and Tenant's customers) for ingress, egress and utility purposes from the Leased Premises to and from a public right of way including but not limited to:

The Easement for ingress, egress and utilities across the parent parcel described on Exhibit "A" will be Twenty feet (20') wide and located within the hatch marked area on the sketch below. Owner and Tenant agree that upon Tenant's exercise of its Option to lease, Tenant shall replace this Exhibit "B" with a revised Exhibit "B" which shall be a metes and bounds legal description of the ingress, egress and utility easement which will specifically identify the location and dimensions of the aforesaid easement.

MEMORANDUM OF LEASE

This Memorandum of Lease (the "**Memorandum**") is entered into on the _____ day of _____, 201__ by and between **City of Las Vegas ("Landlord")** and **Alltel Communications, LLC d/b/a Verizon Wireless ("Tenant")**.

NOTICE is hereby given of the Lease (as defined and described below) for the purpose of recording and giving notice of the existence of said Lease. To the extent that notice of such Lease has previously been recorded, then this Memorandum shall constitute an amendment of any such prior recorded notice(s).

1. **Parent Parcel and Lease.** Landlord is the owner of certain real property being described in **Exhibit A** attached hereto and by this reference made a part hereof (the "**Parent Parcel**"). Landlord (or its predecessor-in-interest) and Tenant (or its predecessor-in-interest) entered into that certain Communications Site Option and Land Lease Agreement dated September 17, 2003 (as the same may have been amended from time to time, collectively, the "**Lease**"), pursuant to which the Tenant leases a portion of the Parent Parcel and is the beneficiary of certain easements for access and public utilities, all as more particularly described in the Lease (such portion of the Parent Parcel so leased along with such portion of the Parent Parcel so affected, collectively, the "**Leased Premises**"), which Leased Premises is also described on **Exhibit A**.
2. **American Tower.** Tenant, Verizon Communications Inc., a Delaware corporation, and other parties identified therein, entered into a Management Agreement and a Master Prepaid Lease, both with an effective date of March 27, 2015 and both with ATC Sequoia LLC, a Delaware limited liability company ("**American Tower**"), pursuant to which American Tower subleases, manages, operates and maintains, as applicable, the Leased Premises, all as more particularly described therein. In connection with these responsibilities, Tenant has also granted American Tower a limited power of attorney (the "**POA**") to, among other things, prepare, negotiate, execute, deliver, record and/or file certain documents on behalf of Tenant, all as more particularly set forth in the POA.
3. **Expiration Date.** Subject to the terms, provisions, and conditions of the Lease, and assuming the exercise by Tenant of all renewal options contained in the Lease, the final expiration date of the Lease would be November 16, 2058. Notwithstanding the foregoing, in no event shall Tenant be required to exercise any

ATC Site No: 417758

VZW Site No: 200128

Site Name: NM04_ABQ_Las Vegas Center NM

option to renew the term of the Lease.

4. **Leased Premises Description.** Tenant shall have the right, exercisable by Tenant at any time during the original or renewal terms of the Lease, to cause an as-built survey of the Leased Premises to be prepared and, thereafter, to replace, in whole or in part, the description(s) of the Leased Premises set forth on **Exhibit A** with a legal description or legal descriptions based upon such as-built survey. Upon Tenant's request, Landlord shall execute and deliver any documents reasonably necessary to effectuate such replacement, including, without limitation, amendments to this Memorandum and to the Lease.
5. **Right of First Refusal.** There is a right of first refusal in the Lease.
6. **Effect/Miscellaneous.** This Memorandum is not a complete summary of the terms, provisions and conditions contained in the Lease. In the event of a conflict between this Memorandum and the Lease, the Lease shall control. Landlord hereby grants the right to Tenant to complete and execute on behalf of Landlord any government or transfer tax forms necessary for the recording of this Memorandum. This right shall terminate upon recording of this Memorandum.
7. **Notices.** All notices must be in writing and shall be valid upon receipt when delivered by hand, by nationally recognized courier service, or by First Class United States Mail, certified, return receipt requested to the addresses set forth herein: to Landlord at: City of Las Vegas, P.O. Box 160, 1700 N. Grand Ave., Las Vegas, NM 87701; to Tenant at: Verizon Wireless, Attn.: Network Real Estate, 180 Washington Valley Road, Bedminster, NJ 07921; with copy to: American Tower, Attn.: Land Management, 10 Presidential Way, Woburn, MA 01801, and also with copy to: Attn.: Legal Dept. 116 Huntington Avenue, Boston, MA 02116. Any of the parties hereto, by thirty (30) days prior written notice to the other in the manner provided herein, may designate one or more different notice addresses from those set forth above. Refusal to accept delivery of any notice or the inability to deliver any notice because of a changed address for which no notice was given as required herein, shall be deemed to be receipt of any such notice.
8. **Counterparts.** This Memorandum may be executed in multiple counterparts, each of which when so executed and delivered, shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument.
9. **Governing Law.** This Memorandum shall be governed by and construed in all respects in accordance with the laws of the State or Commonwealth in which the Leased Premises is situated, without regard to the conflicts of laws provisions of such State or Commonwealth.

RESOLUTION AND CONSENT AFFIDAVIT

City of Las Vegas

Be it known that, under the pains and penalties of perjury, the undersigned Members, Partners, Directors, Shareholders, Officers or Trustees, as applicable (collectively, the "**Affiants**") of the above referenced entity (the "**Landlord**"), hereby declare and resolve the following:

1. Landlord (or its predecessor-in-interest) has leased or subleased a portion of land to **Alltel Communications, LLC d/b/a Verizon Wireless** (the "**Tenant**") pursuant to that certain Communications Site Option and Land Lease Agreement dated September 17, 2003 (as the same may have been amended from time to time, collectively, the "**Lease**").
2. Landlord and Tenant desire to enter into an amendment of the Lease (the "**Amendment**") in order to extend the term thereof and to further amend the Lease as more particularly set forth in the Amendment.
3. Landlord is duly organized, validly existing, and in good standing in the jurisdiction of its formation, organization, and/or incorporation, as applicable, and is otherwise authorized to transact business and in good standing in any other jurisdictions where such qualifications are required. Landlord has full power and authority to enter into and perform Landlord's obligations under the Amendment and the other Transaction Documents (as hereinafter defined), and the Amendment and the other Transaction Documents have been duly executed and delivered by Landlord. The Affiants listed below are the only legal and equitable owners of Landlord and are the only members, partners, directors, shareholders, officers and/or trustees, as applicable, of Landlord.
4. The Affiants hereby approve of the Transaction Documents and all of the terms and provisions contained therein and declare, resolve and/or affirm, as applicable, that Landlord is hereby authorized to enter into the Transaction Documents with Tenant and effect the transactions contemplated therein. The Affiants hereby declare and affirm that any other corporate and shareholder, member, partner, and/or trustee actions required to effectuate the transactions

RE: Valuation Analysis Report
604 Legion Drive – Alltel Tower Property (Land)
Las Vegas, New Mexico 87701

Dear Mr. Billy Montoya:

An appraisal of the property referenced above was completed and findings are submitted in this report.

The appraisal was made for the purpose of expressing an opinion of the market value of the Fee Simple Interest in the property, as of February 19, 2018 assuming it to be for sale in the open market.

Fee Simple Interest is defined as an absolute fee, free of limitations to any particular class of heirs or restrictions but subject to limitations of eminent domain, escheat, police power, and taxation.

The appraisal assumes the following in the appraisal and final value estimate. Consultation with the appropriate professional experts is recommended to confirm these assumptions.

That there are no detrimental site conditions or survey plat matters that would impair the value or marketability.

That there are no unusual title conditions or requirements to clear title that would impair the value or marketability.

No building inspection report was available for review and the appraisal assumes there are no detrimental physical conditions to be impacting value or marketability other than typical forms of deferred maintenance.

No environmental assessment report was available for review and the appraisal assumes there are no significant forms of contamination or environmental issues on or near the appraised property that would be detrimental to value or marketability.

The property was personally inspected, and the following factors were considered in forming an opinion of value.

- Location, size and utility of land.
- Size, condition and utility of the improvements compared with few facilities.
- Highest and best use of the land and total property.

NorthEastern Land Appraisals

The report consists of this letter summarizing the investigation and stating the conclusion, a discussion of the valuation procedure, market data comments, and certification letter and exhibits consisting of:

(a) area maps, (b) subject sketch, (c) subject photographs, (d) plat, and (e) statement of conditions.

Based on this appraisal, the market value of the appraised property as of February 19, 2018 may be stated as follows.

| |
|---|
| <p style="text-align: center;">As is Market Value Estimate of Real Estate Only: \$14,000</p> |

ANALYSIS AND REPORTING PARAMETERS

Purpose of the Appraisal

The purpose of this appraisal is to estimate the market value of the:

**604 Legion Drive (Alltel Lease Property)
Las Vegas, New Mexico 87701**

Intended User of the Appraisal

This appraisal is intended for the exclusive use of City of Las Vegas Fire Department or reliance upon, by others is not anticipated by the appraiser. While this appraisal is complete and in a reporting format summary, it was prepared to answer specific questions for the client and may not fully address issues related to other purposes.

Intended Use of the Appraisal

It is my understanding that the city of Las Vegas Fire Department will use this appraisal as a basis for lease purpose.

Condition of Title

This appraisal assumes that there are no unusual conditions or encumbrances and no unusual requirements to clear title, which would impair marketability or value. A copy of the title insurance policies was not provided to the appraiser.

CITY OF LAS VEGAS
CITY COUNCIL
ORDINANCE NO. 18-02

AN ORDINANCE AMENDING LODGERS TAX ORDINANCE, MUNICIPAL CODE § 389-4 TO INCREASE THE TAX IMPOSED FROM 4 PERCENT TO 5 PERCENT AND MAKE CERTAIN TYPOGRAPHICAL AND GRAMMATICAL CORRECTIONS; ADOPTING A NEW SUBSECTION 389-15(B) MUNICIPAL CODE, TO REQUIRE THAT ½ OF ALL TAXES COLLECTED UNDER THE CODE BE USED TO DEFRAY THE COSTS OF TOURIST-RELATED INFRASTRUCTURE; AND REDESIGNATING FORMER SUBSECTION 389-15(B) AS 389-15(C).

WHEREAS, the City of Las Vegas imposed an occupancy tax of gross taxable rent for lodging paid to vendors within the City; and,

WHEREAS, the City of Lodgers Tax board recommends an increase the Lodger's Tax, from 4% to 5%; and,

WHEREAS, the 1% increase of the proceeds shall be used solely for tourism-related infrastructure; and,

WHEREAS, the increase will improve and assist with the City of Las Vegas' economic development.

NOW THEREFORE,

Be it ordained that Lodger's Tax Ordinance is amended by the Governing Body of the City of Las Vegas, to include the following,

§ 389-4 Imposition of tax.

There is hereby imposed an occupancy tax of 5% of gross taxable rent for lodging paid to vendors within the City.

§ 389-15 Use of monies.

A.

The City shall use 1/2 of the proceeds of the first 3% of the tax and not less than 1/4 of the proceeds from the tax in excess of 3% only for advertising, publicizing and

promoting tourist-related attractions, facilities and events. The proceeds from this portion of the tax shall be used within two years of the close of the fiscal year in which they were collected and shall not be accumulated beyond that date or used for any other purpose.

B.

The City shall use no less than $\frac{1}{2}$ of all monies collected to defray the costs of establishing, operating, purchasing, constructing, otherwise acquiring, reconstructing, extending, improving, equipping, furnishing or acquiring real property or any interest in real property for the site or grounds for facilities and attractions or transportation systems specifically tourist-related of the municipality, or county in which the municipality is located.

C.

The City may use the balance of the proceeds of the tax to defray the cost of:

(1)

Collecting and otherwise administering the tax, including the performance of audits required by the Lodgers' Tax Act and this article, pursuant to guidelines issued by the Department of Finance and Administration of the State of New Mexico.

(2)

Establishing, operating, purchasing, constructing, otherwise acquiring, reconstructing, extending, improving, equipping, furnishing or acquiring real property or any interest in real property for the site or grounds for tourist-related facilities, attraction or transportation systems of the City.

(3)

The principal of and interest on any prior redemption premiums due in connection with and any other charges pertaining to revenue bonds authorized by NMSA 1978, § 3-38-23 or 3-38-24.

(4)

Advertising, publicizing and promoting tourist-related attractions, facilities and events of the City and tourist facilities or attractions within the area.

(5)

Providing police and fire protection and sanitation service for tourist-related events, facilities and attraction located in the City; or

(6)

Any combination of the foregoing purposes or transactions stated in the section.

Greetings:

The Director of the Alcohol and Gaming Division has reviewed the referenced Application and granted **Conditional Preliminary Approval**. It is being forwarded to you for Local Option District approval or disapproval of the Liquor License Application.

While the law states that "within forty-five (45) days after receipt of a Notice from the Alcohol and Gaming Division, the governing body shall hold a Public Hearing in the question of whether the department should approve the proposed issuance or transfer", we recognize the potential for conflict between the requirement for publication of 30 day notice and the 45 day hearing requirement. Should the Local Governing Body be unable to meet one of these requirements, please send a Request for Waiver/Extension by email to the assigned AGD Hearing Officer listed on page 2.

Notice of the Public Hearing required by the Liquor Control Act shall be given by the governing body by publishing a notice of the date, time, and place of the hearing twice during the 30 days prior to the hearing in a newspaper of general circulation within the territorial limits of the governing body. **The first notice must be published at least thirty (30) days before the hearing. Both publications must occur before a hearing can be conducted.** The notice shall include:

- (A) Name and address of the Applicant/Licensee;
- (B) The action proposed to be taken by the Alcohol & Gaming Division;
- (C) The location of the licensed premises.

In addition, if the Local Option District has a website, **the Notice shall also be published on the website.**

The governing body is required to send notice by certified mail to the Applicant of the date, time, and place of the Public Hearing. The governing body may designate a Hearing Officer to conduct the hearing. **A record shall be made** of the hearing.

THE APPLICANT IS SEEKING A RESTAURANT BEER AND WINE LIQUOR LICENSE WITH ON PREMISES CONSUMPTION ONLY WITH PATIO SERVICE. APPLICANT IS REQUESTING A WAIVER FROM THE CITY OF LAS VEGAS AS THE PREMISES IS WITHIN 300 FEET DISTANCE FROM A SCHOOL.

Within thirty (30) days after the Public Hearing, the governing body shall notify the Alcohol and Gaming Division of their decision to approve or disapprove the issuance or transfer of the license by signing the enclosed original Page 1 of the Application. The original Page 1 of the Application must be returned together with the notices of publication. **If the Governing Body fails to either approve or disapprove the issuance or transfer of the license within thirty days after the Public Hearing, the Director may issue the license.**

If the Governing Body disapproves the issuance or transfer of the license, it shall notify the Alcohol and Gaming Division within thirty (30) days setting forth the reasons for the disapproval. A copy of the Minutes of the Public Hearing shall be submitted to the Alcohol and Gaming Division with the Notice of Disapproval (*Page 1 of the Application, noting disapproval*).

City of Las Vegas
Attn: City Clerk
1700 N. Grand Ave.
Las Vegas, NM 87701

It is with great pleasure that we submit this proposal to you for the audit of the City of Las Vegas (the City). Our team has extensive experience in auditing state and local governments. Such experience provides us with a wide breadth of knowledge in providing audit services, which include the annual evaluation (and re-evaluation) of identified risks of the City, development of an audit plan and execution of that plan throughout each year. Axiom has a complete understanding of the work to be done. We are dedicated to completing your audit in an efficient and effective manner to ensure it is submitted before the New Mexico Office of the State Auditor deadline.

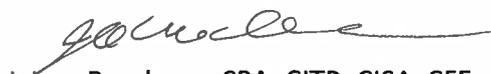

About Axiom: Axiom Certified Public Accountants and Business Advisors LLC (Axiom), a limited liability corporation whose office is located in Albuquerque, has twenty six employees including four Partners. The four Partners of Axiom have more than 75 years of combined accounting experience. Axiom is a full service, New Mexico-owned, Certified Public Accounting firm authorized to practice within the state of New Mexico. We perform a variety of accounting and business advisory services and pride ourselves on our reputation for integrity, quality, reliability, and always providing premier client service. Our audit team's experience, expertise, and training is "all encompassing". With this, Axiom believes itself to be the best qualified to perform the engagement of the City.

Jaime Rumbaoa, CPA, CITP, CISA, CFE, Axiom Managing Partner of Assurance, is authorized to sign this proposal, negotiate and enter into a contract on the behalf of Axiom with the City to perform the requested audit services. Mr. Rumbaoa is the principal contact for any clarification needed. Address: 316 Osuna Rd NE, Suite 401, Albuquerque, NM 87107, Phone (505) 767-7600, Fax (505) 767-7601, email: jaime.rumbaoa@axiomnm.com.

Axiom Certified Public Accountants and Business Advisors LLC accepts the conditions governing the procurement, accepts all terms and conditions of the standard audit contract, and acknowledges receipt of any and all addendums set forth in this request for proposal 2018, 2019, 2020 Annual Audit Services issued on March 28, 2018.

You will be an exceptionally important client to us. We are committed and have the adequate resources available to provide you with the highest level of client service and attention.

Sincerely,

Jaime Rumbaoa, CPA, CITP, CISA, CFE
Partner

Why Axiom is the Best Fit for the City of Las Vegas

It is imperative that an audit be completed correctly and submitted timely to provide the best operational benefit to the City of Las Vegas (the City). We commit several resources throughout the year to train our staff to be up-to-date on governmental, accounting, federal grant requirements, and auditing standards which enables Axiom to complete an audit effectively while providing the maximum benefit to the City and in sufficient time to submit the audit report prior to the New Mexico State Auditor deadline.

Our communications will include:

- Axiom providing implementation guidance on new accounting pronouncements
- Axiom providing guidance on maintaining or achieving adequate segregation of duties to ensure sound controls
- Axiom discussing with management any key events or changes in operations
- Axiom being available for questions year round without additional cost to the City.

What Distinguishes Us as a Unique and Well Qualified Firm?

A People's Business: An audit is truly a business relationship where the "people factor" is crucial and communication and collaboration can make a difference in the process and final outcome of an audit. An important aspect of our role as your independent public accountant is how (and how often) we collaborate and communicate with your team. As stated earlier, our approach is not limited to opening lines of communication when the audit starts and then ceasing communications once the audit report is issued, but rather to keep an open line of communication with your team to understand events that occur during the year and to be available as a viable resource to you and your staff. This will enable us to better understand your organization and to provide the highest quality audit possible.

GFOA Certificate of Achievement for Excellence in Financial Reporting Program: Our team assisted with the preparation of the CAFR for several governments that have received the Certificate of Achievement for Excellence in Financial Reporting. Jaime Rumbaoa, Partner, has assisted over five different governments that have received the award over forty times over the past ten years.

Emphasis on IT General Controls: We are one of the very few accounting firms that emphasize review of IT general controls. This includes review of the City's networks, financial applications and other relevant systems. Our partner is also an IT specialist and has reviewed accounting systems and ERP systems (Banner, Oracle, MS Govern, SAP, Tyler Incode and Munis) for municipalities, counties, schools, not-for-profit, commercial, and governmental entities for over 12 years.

Unique Perspective on Fraud: We go beyond the procedures required by auditing standards to identify risks. For instance, we understand controls over wire transfers, analysis of vendors, Benford's analysis and others.

We Deliver: You will not be waiting on us. We move directly from fieldwork to completing the report in a timely manner. It is our goal to perform the audit under a "lights out" approach that is within the required timeframe of the City. This approach involves all work performed and reviewed in the field to improve effectiveness, timing, and communication. This is possible as the Partner in charge of your audit will be in the field on a regular basis.

Client Service and Teamwork: We pride ourselves in providing superior client service. We will be attentive to your every need and will do everything we can to keep you informed on the issues and areas that are of particular importance to you. Completion of value added, efficient and effective audits requires a high degree of teamwork with all individuals of the City and with Axiom. We pride ourselves on this teamwork approach. We will communicate with you regularly about the trends affecting your industry and, when needed, will provide you with in-depth analysis and commentary.

Ease of Working with Us: Is an audit fun? No. Yet, client after client will attest to our ability to address issues in a consultative and helpful manner. Our approach is productive, efficient, and not combative. If we identify issues, we will communicate them early and work with you to get them resolved rather than wait until the end of the audit period when the issue has the potential to become a crisis.

Audit Findings and Status Reports: As noted earlier, we believe that an audit is truly a team effort. Once secured as your auditors, we will schedule a meeting with you to review all audit findings identified in the prior year and will provide guidance on the substance of the finding, guidance on different methods of resolving the identified issue and will be there throughout management's decision process with regard to those findings. All financial statement findings and findings in relation to federal expenditures each have a high degree of significance and impact to the organization. As such, it will be our goal to work with you at resolving those prior year findings as effectively and efficiently as possible. Such an effort will occur throughout the year rather than just during the audit period.

During the current year audit, we will provide constant feedback on possible findings as they are identified so you may research them and clear up any misunderstandings. Status meetings will be held at least weekly, at the end of the audit and at midterm, or more frequently if desired. We will meet with the audit committee, Chief Financial Officer, accounting personnel and/or anyone that you deem necessary. We want to ensure that we have considered all information and have your input before finalizing any findings.

Our team has extensive experience auditing state and local governments.

Summary: You will be an exceptionally important client to us. We are committed and have the resources available to provide you with the highest level of client service and attention throughout the year as your auditor.

Response to Mandatory Specifications

Offeror Experience

Axiom is a Certified Public Accounting firm founded in 2012. The firm has twenty six employees including four Partners. Ten of the twenty six staff specifically focus on governmental auditing throughout the year. Axiom is a locally owned firm centrally located in Albuquerque, New Mexico. Axiom is on the New Mexico Office of the State Auditor's approved list to perform governmental audits.

Professional Staff: Axiom has over 4,000 hours available to commit to this audit. We anticipate that your audit will require approximately 700 hours. We anticipate a total of five staff will be required to complete the audit of the City. The five staff will include the Partner, one Senior Manager, one Supervisor and two seniors/staff. All personnel assigned to your audit are expected to work full time on your audit with the exception of the Partner. The Audit Partner responsible for the overall engagement will be on-site on a regular basis throughout the audit. The Supervisors along with the staff will be assigned to your audit on a full time basis. We may include an additional staff, on an as needed part-time basis, to ensure that your audit is completed in an efficient and effective manner by the report submission deadline as well as other deadlines delineated by the City. We believe this demonstrates we have the capacity to handle the City's audit.

Independence: Before accepting any new engagement, we conduct a thorough check to ensure that there are no conflicts of interest or independence issues. This procedure is in compliance with the independence requirements of all regulatory agencies and, specifically, as defined by the U.S. General Accounting Office's Governmental Auditing Standards. If selected as your auditor, we will maintain and monitor our independence as well as reassess our independence with respect to the City on an annual basis. **Axiom has assessed its independence with the City and has concluded there are no relationships that constitute a conflict of interest.** We will continue to evaluate our independence as your auditors and will give the City written notice of any professional relationships involving the City, if entered into, during the period of the audit contract.

License to Practice in New Mexico: Axiom has a current license issued by the New Mexico State Board of Public Accountancy. Additionally, all of the staff are authorized to practice public accounting in the State of New Mexico based on requirements set by the state and standard setting bodies. The Partner in charge, Jaime Rumbaoa, is a licensed Certified Public Accountant authorized to practice in New Mexico. Axiom obtains a New Mexico In-State Resident Preference Certificate (certificate # L0503257904).

Offeror Experience (Continued)

Axiom has an abundance of resources to successfully complete an audit of the City, which include:

- Partner Resources – The Partners themselves are a great resource to the audit of the City due to their different backgrounds and experiences in the fields of tax and state and local government. They have been highly educated through studies at Philippine School of Business Administration, Harvard University, and the University of New Mexico. With each individual’s knowledge, we are able to collaborate on difficult accounting practices or new accounting pronouncements.
- Staffing – We have evaluated the extent of service required to complete an audit of the City and have concluded that we are capable of committing the required staffing time to complete your audit. Our staff is highly qualified and has expertise in auditing governmental entities.
- Research Tools – Axiom has numerous avenues of obtaining information related to operations and accounting standards, which include the Thomson Reuters online Accounting and Audit research tool which provides up-to-date standards for governmental entities. We have additionally established key alliances and affiliations with other independent public accounting firms in which we can consult and collaborate on industry trends, governmental accounting updates, auditing standards, etc.

Experience with Municipalities: Our proposed audit team has extensive experience auditing municipalities. Our Managing Partner of Assurance, Jaime Rumbaoa, has been auditing municipalities and governmental entities for over 17 years. Jaime has extensive experience with accounting standards related to governmental organizations and has worked with many clients in implementing new accounting standards. Bryan Runyan, Supervisor, has been performing governmental audits for more than 9 years. Your audit team has audited numerous municipalities which include:, City of Albuquerque, City of Bloomfield, City of Farmington, City of Las Cruces, City of Las Vegas, City of Raton, City of Roswell, City of Socorro, Village of Angel Fire, Village of Cloudcroft, Village of Los Lunas, and Village of Ruidoso. Our team has extensive experience with accounting standards related to governmental organizations. We also continually work with many clients in implementing new accounting standards.

Experience with Governmental Entities: Our audit team’s experience, expertise, and training is from performing governmental audits in accordance with *Government Auditing Standards*, *OMB Uniform Guidance* for governments including colleges and universities, *Generally Accepted Governmental Auditing Standards*, and *Generally Accepted Accounting Principles*. ***As a result of our vast experience auditing governmental organizations, we understand what it takes to complete your audit.*** Overall, the expertise of the personnel that make up Axiom’s audit practice group is all-encompassing. The Partners and Supervisors who would be responsible for your audit have ***completed over 250 audits of approximately 70 different governmental entities (including Municipalities)***. Through this experience we have developed, and continue to develop, great audit practices related to planning the audit to be effective and value driven, highly respectable coordination/communication of the audit with Client personnel through a teamwork approach, and highly reputable preparation and reporting of the audit results.

*{AS A RESULT OF OUR VAST EXPERIENCE AUDITING STATE AND LOCAL
GOVERNMENTS WE UNDERSTAND WHAT IT TAKES TO COMPLETE YOUR AUDIT
AND YOUR RISK ASSESSMENT.}*

On-Site Manager and Other On-Site Personnel

Team Leader: Your team leader, Jaime Rumbaoa, Partner, will be the primary contact throughout the term of the contract. Mr. Rumbaoa will be on-site on a regular basis throughout the audit. This will help with the efficiency of the audit and ensure that the City receives superior client service. Additionally, this will help us finish the audit in a timely manner to ensure that we meet the New Mexico State Auditor deadline.

Resumes of the on-site engagement Partner, Senior Manager, Supervisor, and staff are detailed in the subsequent pages. All other staff members assigned to the audit engagement of the City will be independent, compliant with the GAGAS continuing professional education requirement, and qualified to work with the City on their audit. During the course of our audit, we expect the following personnel to be assigned to your engagement:

**JAIME RUMBAOA, CPA, CITP, CISA, CFE
AUDIT PARTNER**

Professional Background: Jaime has practiced public accounting since 2000 and served as the engagement leader on various counties, municipalities, state agencies, and higher education audits. Prior to joining Axiom, Jaime worked for a big four and national firms for over fifteen years. Aside from financial audits, Jaime also leads Information Technology audits for systems such as Banner, Tyler (Munis and Incode), SAP, Oracle, SHARE, and other governmental systems.

Jaime's experience, expertise, and training are with audits in accordance with Generally Accepted Governmental Auditing Standards and Uniform Guidance for Federal Awards for general and special purpose governments, including municipalities, counties, school districts, cities, state agencies, higher education, and special districts.

Current and Past Relevant Experience: The focus of Jaime's career over the past 17+ years has been auditing governmental agencies. Some of the clients he has served include the following:

System Review Report

November 2, 2016

To the Owners of
AXIOM Certified Public Accountants and Business Advisors, LLC
and the Colorado Society of CPA's Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of AXIOM Certified Public Accountants and Business Advisors, LLC (the firm) in effect for the year ended May 31, 2016. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under the *Government Auditing Standards* and audits of employee benefit plans.

We noted the following deficiencies during our review:

1. **Deficiency** – The firm did not perform adequate procedures for the employee benefit plan reviewed. The following issues were noted:
 - Control risk was assessed less than high for contributions, but there was no documentation that the auditor evaluated the effectiveness of controls at the service organization.
 - Inherent risk was assessed at low for investments, but the engagement was a full-scope audit with significant investments. No audit program was used for investments and sufficient audit procedures were not performed in the area of investments to support their unmodified opinion on a full-scope audit.
 - Procedures performed in the areas of contributions and income allocation testing were not complete, and therefore, were inadequate to note DOL compliance.

Recommendation – The firm should seek additional education and training in current standards as they relate to providing audit level services for employee benefit plans. In addition, the firm should perform additional procedures for the engagement tested to support their opinion.

2. Deficiency – The firm did not have a written quality control document in place and made available to audit staff. This was a repeat finding from the previous peer review. In addition, the firm's internal inspection did not note any of the matters listed as MFCs or deficiencies in this report, as they did not select any engagements for which we found MFCs and deficiencies.

Recommendation – The firm should immediately make the QCP filled out for the peer review available to audit staff. In addition, they should use that form to draft a comprehensive quality control document. In addition, we recommend that the firm includes a sample of those engagements that must be selected for peer review (ie. employee benefit plans) in their internal inspection.

In our opinion, except for the deficiencies described above, the system of quality control for the accounting and auditing practice of AXIOM Certified Public Accountants and Business Advisors, LLC in effect for the year ended May 31, 2016, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. AXIOM Certified Public Accountants and Business Advisors, LLC has received a peer review rating of *pass with deficiencies*.

Certified Public Accountants

Technical Plan and Approach

Knowledge of the City's Needs and Products to be Delivered: Our audit team's experience, expertise, and training is from performing audits in accordance with *Government Auditing Standards*, *OMB Uniform Guidance* for governments including municipalities, *Generally Accepted Governmental Auditing Standards*, U.S. General Accounting Office government auditing standards, and *Generally Accepted Accounting Principles*. Our vast experience includes the successful completion of more than **250 audits of approximately 70 different governmental entities** performed by the Partners and Supervisors who would be responsible for your audit.

Technical Plan and Time Estimates: We will perform an effective audit that provides high quality deliverables to you. We acknowledge that the audit adds an initial "burden" on the staff of the City and we have developed an efficient audit approach that is risk-based where we will spend the majority of our time on the areas that have higher risk. Steps to assessing audit risk include:

- Obtaining copies of organization changes, obtaining updated accounting manuals/program descriptions, obtaining updated control documentation, and discussing controls with those involved;
- Performing walk-throughs of transaction processes to verify control design and implementation;
- Identifying risks at various levels: business, environmental, and internal;
- Inquiring of management;
- Evaluating relative levels of inherent risk and control risk;
- Discussing risk with predecessor auditors; and
- Evaluating the integrity of management and evaluating for the existence of external pressures (whether related to performance or other measures).

Subsequent to our assessment of audit risk, we will tailor our audit approach to focus on high-risk areas. By focusing on high-risk areas, we will provide the best quality conclusions related to the fiscal year under audit. While our focus will be on high-risk areas, we will also consider all transactions that occurred during the year. Our audit approach consists of planning, assessing internal controls, designing audit procedures, performing substantive testing procedures, and developing audit conclusions.

Planning: Our audit plan will consist of an evaluation of the environment of the City, assessment of risk as detailed above, and identification of the audit areas to test. We will meet with management to discuss our approach and the departments that will be affected.

Designing Audit Procedures: Subsequent to planning and providing conclusions over the control structures of the significant transaction cycles, we will develop and tailor our audit programs with the objective of obtaining evidence from a combination of internal control testing, analytical procedures, and tests of account balances. The degree of evidence to be obtained from each of the three general types of procedures is determined using an audit approach decision model, where the model takes into account the strength of the City's system of internal control.

We consider assessment of internal controls, assessment and testing of compliance, and designing audit procedures to be interim fieldwork. Generally, interim fieldwork will be completed close to the fiscal year end of the City or shortly thereafter.

Technical Plan and Approach (Continued)

Assessing Internal Controls: Once we identify the specific audit areas to test, we will perform walk-throughs of the transaction cycle to understand how they are processed. We will subsequently perform certain procedures to test that the design of the control structure is appropriate and that it had been implemented during the year. After concluding that the control structures are in place, we will consider performing further tests of the control structures.

Axiom also emphasizes fraud controls that go beyond what is required by auditing standards. We obtain further understanding of fraud risk areas that may be applicable to the City, such as wire transfers, journal entries, master data updates, etc.

Assessing and Testing Compliance: We will perform a major program determination using the total federal expenditures during the year as detailed in the Schedule of Expenditures of Federal Awards as provided by you. Additionally, we will select samples of sufficient size to reduce audit risk to a minimal amount to gain assurance that the City is in compliance with the requirements set forth in the *Office of Management and Budget Uniform Guidance*. Our samples will be sufficient to allow for testing of control structures surrounding the federal transaction cycle to reduce audit risk to a minimum level. Audit sampling for compliance may be at a combined program level or by each specifically identified major program.

Substantive Testing and Audit Conclusions: We will perform the planned substantive testing procedures and consider the sufficiency of the audit evidence. As we cannot test every transaction that occurred during the fiscal year, we will utilize a sampling methodology in which we will calculate a statistical sample taking into consideration such items as an expected misstatement, total dollar value of the population, and acceptable dollar error thresholds. Once a sample is derived, we will utilize random sampling techniques to select the transactions for testing. If we identify unexpected errors within our testing, we will extrapolate the difference to the entire population and make conclusions. The extent of statistical sampling will be based on the type of transaction, how the transaction was processed, and how frequently it was executed.

For those accounts that are not conducive to testing through substantive account balance testing of the account details, we will consider performing analytical procedures in which we will develop independent expectations, compare to the actual balances, and evaluate any significant differences. Independent expectations may be developed using documents generated by the City, including the budget-to-actual report for the fiscal year being audited, discussions with management, or based off of reports generated from the City's management information systems.

We will subsequently perform an overall evaluation of the financial statements and related disclosures, form our audit opinions, and report to management.

Technical Plan and Approach (Continued)

Proposed Segmentation of the Engagement: The table below represents our estimated timeline related to planning, interim fieldwork, final fieldwork, and reporting. We understand there are circumstances that may require alteration of the estimated timing due to the City’s projects, readiness, etc. We plan to work closely with the City to ensure that the timing will be adequate to efficiently and effectively complete the audit by the deadline and without causing intense interruption to the operations of the City. ***We will work with the City to ensure that their audit for the fiscal year ended June 30, 2018 and thereafter will be submitted to the New Mexico State Auditor on time.***

We understand that a first year audit takes additional work for both our clients and for us. We propose that the additional work necessary to gain our first time understanding of your internal control systems, internal control processes and your IT environment should be completed well in advance of fieldwork. This will allow us to accomplish the fieldwork portion of the audit in a comparable timeframe to your previous audits. As mentioned earlier, our Partner responsible for signing off on the engagement will be in the field on a regular basis throughout the audit. This allows us to address any questions or issues immediately and without causing delays to the audit. Also, this allows for the audit to be substantially reviewed at the end of the fieldwork, which reduces the time between when we pull out of the field and when we go over the draft financial statements with management. The timeline below takes all of this information into consideration.

| Task | Axiom Estimated Time Period |
|--|-----------------------------|
| Entrance Conference | June 2018 |
| Financial Statement Audit – Interim Fieldwork | June 2018 |
| Financial Statement Audit – Final Fieldwork | August/September 2018 |
| Single Audit | August 2018 |
| Reporting – Submission to the New Mexico State Auditor | November 2018 |

Plans for Using City Staff (including Internal Audit): The PBC requests are a major aspect of the audit process that will involve your staff. We customize your PBC requests to be specific to your circumstances and we use information and work papers you already have. We will work with your staff to perfect this working list as it is a valuable tool for keeping the audit on-track and on-time.

If applicable, we will set up a meeting with key personnel of the Internal Audit (IA) Department to determine if any reliance of their work can be made. Procedures would include reviewing IA reports as part of our risk assessment and their test plan and working papers as necessary.

Technical Plan and Approach (Continued)

Approach for Planning and Conducting Subsequent Years Audits: The first year of an audit engagement is a crucial year in which we work together with the City to identify what items worked well and what items can be improved upon. We make great efforts to identify those items upon completion of the audit and utilize that knowledge to adjust our audit plan and/or timing accordingly. Through this process, we are better able to perform the audit of the City as effectively and efficiently as possible with minimal impact to the City.

In subsequent years, we will already have a good understanding of the City's operations. This depth of knowledge will allow for updating our understanding of internal controls, and any changes in those controls made during the year, which will reduce the time needed from your staff. Subsequent to updating our understanding, we will perform a similar risk assessment as completed in the current year and will adjust our audit to develop a new plan each fiscal year.

In subsequent years, we will be on-site prior to the end of the fiscal year (June 30th) to perform our risk assessment and planning phase of the engagement. Additionally, we will complete interim work where we will perform our test of controls and, if applicable, we will begin Single Audit testing under OMB Uniform Guidance. This will allow us to spend less time after your fiscal year end so that we can easily meet the deadline for the submission of your financial statements. This also allows for a less stressful audit as the work would be spread out over a greater period of time.

Electronic Data Processing Software in the Engagement: Technology utilized by Axiom is critical for us to be a firm qualified to perform a successful audit. We are pleased to discuss our efficient use of audit technology as follows:

ProFx Engagement (ProFx) – our trial balance and paperless audit software: This software directly links your financial statements with the trial balances we audit. After scanning your data into the system, our auditors can access the full working paper files from any location with internet access. We then document our audit procedures using custom templates in Microsoft Excel, Word and Adobe Acrobat. At the end of the audit, we house your electronic files in a secure data warehouse.

IDEA: We will utilize IDEA data extraction software to assist us in completing our analytical procedures. We will obtain a detail general ledger of all transactions that occurred during the year and download that information into IDEA. We will analyze the data for unusual transactions and create reports for our audit procedures. Additional functionality of this program allows us to receive files in many formats used by the City, which alleviate the stresses and pressures of converting data into a usable format.

CCH Portal – The portal is our firm's private file transfer system: This tool, to which only key client personnel, our key engagement team members and limited IT personnel have access to, provides a private environment for transmission of sensitive data that is necessary for our engagement. The portal also accommodates extremely large data files that cannot efficiently be transmitted using other means. Because this is a private portal, security is vastly improved over that of internet transmissions such as e-mail.

With the ability to transfer data files using the portal, our engagement team can perform many required tasks from our offices and other work locations. This reduces out-of-pocket travel costs and means we are better prepared when we arrive at your offices. We understand the sensitive nature of much of the material sent via the portal, and should the engagement team or client decide, all data can be deleted from the portal immediately after the process is complete. Otherwise, the data is automatically deleted within 60 days of each document's original posting to the portal.

Firm Strengths or Weaknesses

STRENGTHS

The following are factors that we consider strengths of Axiom which will help ensure the City submits their financial statements to the New Mexico State Auditor's Office by the required due date.

Partner Presence at the City: As a Partner for Axiom, Jaime Rumbaoa will be present at the City on a regular basis throughout the audit. This will help with the efficiency of the audit and ensure the City will receive superior client service. This also will help ensure that the financial statements are submitted to the New Mexico State Auditor by the required due date.

Municipality Experience: Axiom has extensive experience with State and Local Governments. We have performed audits for City of Albuquerque, City of Bloomfield, City of Farmington, City of Las Cruces, City of Las Vegas, City of Raton, City of Roswell, City of Socorro, Village of Angel Fire, Village of Cloudcroft, Village of Los Lunas, and Village of Ruidoso.

Emphasis on IT General Controls: We are one of the very few accounting firms that emphasize review of IT general controls. This includes review of the City's networks, financial applications and other relevant systems. Our partner is also an IT specialist and has reviewed accounting systems and ERP systems (Banner, Oracle, MS Govern, SAP, Tyler Incode and Munis) for municipalities, counties, schools, not-for-profit, commercial, and governmental entities for over 12 years.

Working with Our Clients: We pride ourselves in providing superior client service. We will be attentive to your every need and will do everything we can to keep you informed on the issues and areas that are of particular importance to you. We don't just show up during the audit but we are proactive with our clients throughout the year. We commit to working with our clients throughout the year to help make a difference.

Communication with those Charged with Governance and Management: We consider it a best practice to meet with management and those charged with governance at least two times a year. We use these meetings as an opportunity to discuss matters such as:

- Significant events that have taken place during the year;
- Changes in key positions of management;
- Changes in major control structures;
- Recent accounting and auditing standards effective for the audit year; and
- Any additional information to allow for timely and exceptional client service.

At the completion of the audit we will meet with you to discuss the results of the audit, including a review of the required communications, the financial statements and the reports to your management.

WEAKNESSES

There are not any identified weaknesses that would prohibit Axiom from performing the audit and completing it within the required New Mexico State Auditor due date.

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to Chapter 81, Laws of 2006, any prospective contractor seeking to enter into a contract with any state agency or local public body must file this form with that state agency or local public body. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"Applicable public official" means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"Campaign Contribution" means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"Contract" means any agreement for the procurement of items of tangible personal property, services, professional services, or construction.

"Family member" means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

"Pendency of the procurement process" means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

"Person" means any corporation, partnership, individual, joint venture, association or any other private legal entity.

"Prospective contractor" means a person who is subject to the competitive sealed

proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person qualifies for a sole source or a small purchase contract.

"Representative of a prospective contractor" means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

Dear Selection Committee:

Carr, Riggs & Ingram, LLC (CRI) appreciates the opportunity to propose on providing financial and compliance audit services to the City of Las Vegas, New Mexico (Las Vegas). We are genuinely excited about the prospect of continuing to serve you. We pride ourselves on illuminating solutions for our clients by providing innovative IDEAS to move them from compliance to providing a competitive advantage.

CRI was just named the 19th largest CPA firm nationwide; you can continue to expect timely personal service with the highest attention to detail. We are proud of our unique structure and resources which enables us to offer our clients the personal attention that is the hallmark of a local firm, combined with the highly sophisticated resources that are typically only available to national and international firms.

We really enjoy working on this audit the past three years and look forward to contining our relationship with the City. Knowing the systems and functions of Las Vegas will ensure the completion on an efficient audit the next three fiscal years. You all are very helpful and gracious throughout the audit process which we do appreciate. With CRI you are getting a team whose primary industry since the mid-90's is New Mexico State and Local Governments.

We are very proud of our credentials to continue to serve Las Vegas. However, we recognize that credentials and firm names are not enough. The most important factor in your evaluation is to select a firm whose people are enthusiastic, easy to work with, listen carefully to your needs, and contribute outstanding expertise to your professional team. If you have any questions or require additional information, please do not hesitate contacting us. We eagerly await the opportunity to establish this service relationship; our entire team is looking forward to providing high quality, cost-effective services to Las Vegas.

Again, we appreciate your consideration.

The undersigned certifies that he/she has read and understood the following general conditions and that the firm represented accepts the conditions and submits the attached proposal in full compliance with the General Proposal Conditions.

CAPABILITY OF THE FIRM

FIRM PROFILE

CRI is a regional firm and one of the fastest growing public accounting firms in the United States. We have the size and resources to provide Las Vegas with the services requested in the time frame required. Our practice unit has a total of 175 team members; the graphic below explains our operations firm wide.

The work for Las Vegas will be completed by the Southwest Special Practice Unit (SPU). Our SPU's audit practice is proud to have three partners, two managers, two supervisors, seven seniors, and nine staff accountants providing over 28,000 hours dedicated to providing audits and related services to government entities in our region.

INDEPENDENCE

CRI personnel adhere to applicable independence, integrity and objectivity requirements of the American Institute of Certified Public Accountants (AICPA), New Mexico Society of CPA's, New Mexico State Board of Public Accountancy, and New Mexico State Auditor's Office. Maintaining our independence while complying with the rules require that we develop and publish policies and guidance, train our people on the rules, and implement processes that monitor compliance. Based on our internal policies and procedures, we feel we are currently independent with respect to Las Vegas, and the Housing Authority, as defined by the U.S. General Accounting Office's *Government Auditing Standards*. Further, CRI warrants that it presently has no interest and will not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of the audit services.

Ray Roberts, the Partner in Charge of our practice unit, recently completed his term on the AICPA Professional Ethics Executive Committee, which creates the independence rules among other matters. CRI has policies and procedures to provide reasonable assurance that all professional personnel maintain independence, integrity and objectivity, as required under professional standards.

QUALITY CONTROL

Our audit, tax, consulting, and client accounting services documentation is maintained electronically. Compliance with our methodology is regularly reviewed and evaluated as part of our internal quality program, which is further discussed below. Comprehensive policies and procedures governing all of our practices and addressing professional and regulatory standards and implementation issues are constantly updated for new professional developments and emerging issues. See [PAGES 12 – 14](#) for a more detailed description of the relevant approach and methodology.

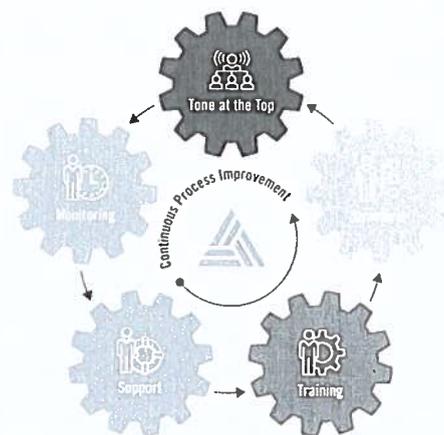

ENGAGEMENT QUALITY Control REVIEW PARTNER (CONCURRING PARTNER)

Each audit has an assigned engagement quality control review (EQCR) partner with the appropriate experience. This role is one of the most important elements of our quality assurance process, as it provides for a timely, independent review of all key accounting and auditing issues. The EQCR partner also reviews the financial statements and related supporting documentation—including the disclosures—to evaluate their fair presentation under accounting principles generally accepted in the United States of America (GAAP).

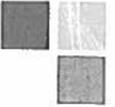

INTERNAL QUALITY CONTROL REVIEWS AND EXTERNAL REVIEWS

Experienced partners and professional staff of our firm conduct quality control reviews of our audits. Our partners' work is reviewed annually, and the inspection process includes periodic testing of the effectiveness of our quality controls and a continuous improvement program.

- **Internal Inspection:** A permanent team of subject matter experts annually perform 150+ reviews of a risk-based sample of partners and engagements.
- **Continuous Process Improvement Reviews:** In addition to #1 above, this ongoing process reviews each audit partner twice annually, representing 300+ reviews each year.

CRI is enrolled in the AICPA Peer Review Program, through which our external reviews are conducted by another independent public accounting firm. We have our accounting and auditing practice triennially reviewed as a member in this program. A copy of our most recent external quality review (peer review) is provided in the [APPENDIX](#). Additionally, we are registered with the PCAOB, who performs an external review inspection once every three years.

WORK REQUIREMENTS & AUDIT APPROACH

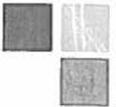

UNDERSTANDING & MEETING YOUR NEEDS

From the RFP and experience with Las Vegas, we understand Las Vegas has the following needs and/or requests. We've detailed our proposed solutions below and are happy to discuss other related projects as they arise and upon request.

| NEEDS & ISSUES | | SOLUTIONS & SERVICES |
|----------------|---|---|
| Technical | Las Vegas is required to have an independent auditing firm conduct an audit of the general purpose financial statements and the combining, individual fund, and account group financial statements of the City of Las Vegas and the Housing Authority for the fiscal year ending June 30, 2018. | Perform a Financial Statement Audit in accordance with Generally Accepted Auditing Standards (GAGAS), Government Auditing Standards, and New Mexico State Auditor Rule 2.2.2 NMAC. |
| Technical | Las Vegas received and expended \$750,000 or more in federal funding awards during the fiscal year ending June 30, 2018. | Perform a Federal Single Audit in accordance with OMB Uniform Guidance. |
| Technical | While Las Vegas' management contains the requisite knowledge, Las Vegas' staff does not have the time available to prepare the complete financial statements of Las Vegas. | Assistance with the preparation of Las Vegas' financial statements and notes to the financial statements in accordance with Governmental Accounting and Financial Reporting Standards (GASB). |
| | Las Vegas would like the selected IPA to perform the financial and compliance audit for the fiscal years ending June 30, 2018, 2019 and 2020. | Our practice unit has been providing audit services to New Mexico governmental entities since the mid-1990's; with three years of prior service to Las Vegas and look forward to providing another three years of service. |
| Technical | Management expects the auditing firm to provide advisory guidance to Las Vegas' management and staff on accounting and other technical matters. | Provide information and guidance to ensure Las Vegas is in compliance with any changes in governmental accounting and financial reporting standards. The Engagement Partner on this audit is on the AICPA's Technical Issues Committee and is at the forefront of any upcoming changes. In addition, CRI will work with Las Vegas on implementation of new GASB standards, namely 75 and 87, which will be a considerable undertaking by Las Vegas. |
| Relational | Las Vegas' management expects open and continuous communication with their CPA firm in order to avoid surprise findings at the end of the audit. | <ul style="list-style-type: none"> ▪ Communicate directly with management regarding the results of our procedures. ▪ Anticipate and respond to concerns of management and or City Council |

WORK REQUIREMENTS & AUDIT APPROACH

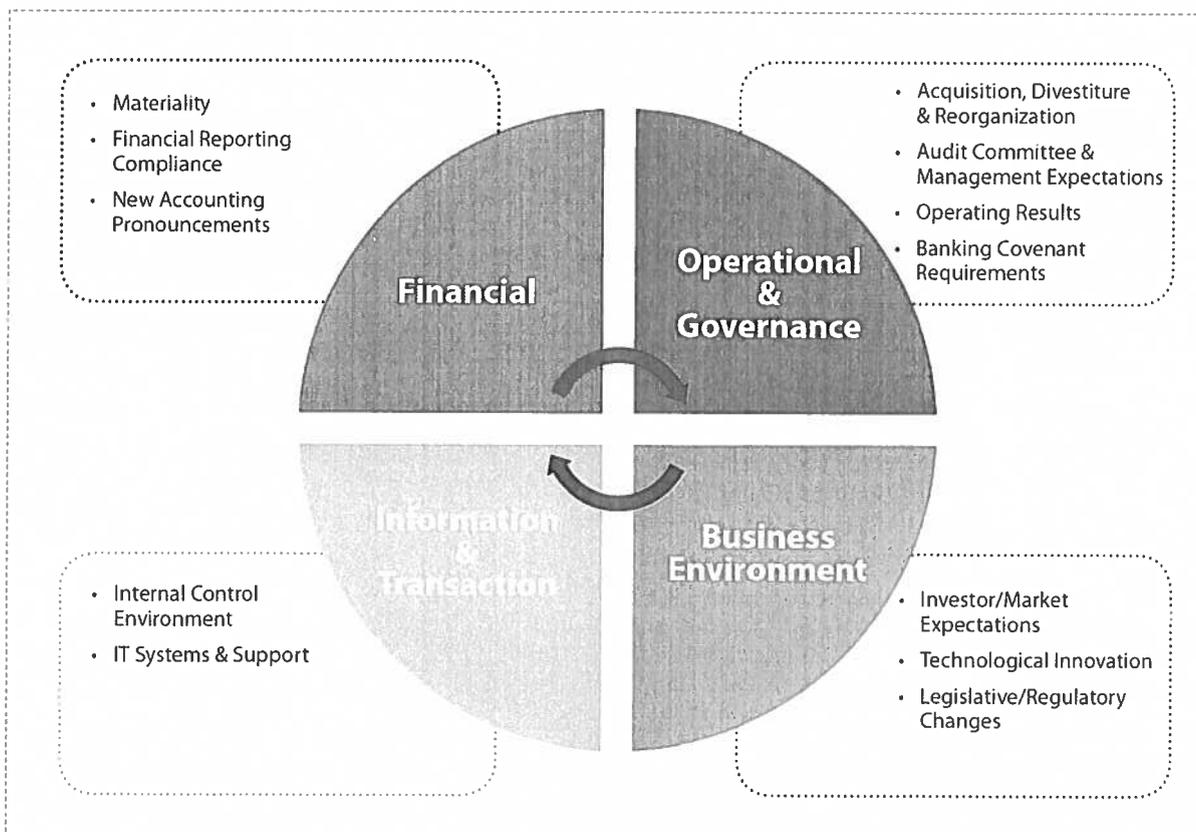

CRI AUDIT FRAMEWORK

Our proposed services require a coordinated effort between us and Las Vegas’s team. Planning and continual communication are essential to developing the appropriate procedures, working collaboratively to resolve any identified issues, and meeting your timelines.

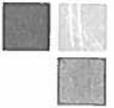

CRI’s audit approach occurs within a framework of our client’s business and industry; therefore, we assess risk by:

- Understanding management’s perspectives and goals, and
- Considering business conditions and threats that could prevent management from achieving its business objectives.

We assess risks in the following areas:

WORK REQUIREMENTS & AUDIT APPROACH

Our ultimate intent is to drill down from these broad risks to specific financial reporting risks. We understand both these risks and management's processes and procedures for mitigating them (i.e. internal controls) in order to develop our procedures to carry out our audit responsibilities.

Although our audits are conducted through a structured, risk-based model, we focus on understanding the client's needs, requirements, and expectations. We work collaboratively with management and the Audit Committee (or similar function) to develop a communication and work plan to continuously improve client service, by doing so we help in moving your team from simple **compliance** to providing you with a **competitive advantage**.

In planning, we concentrate on "key risks," (items with a greater risk of a material misstatement, a material weakness in internal controls, or other matters resulting in the issuance of an inappropriate audit report). We focus on "material" items (i.e. those items that would be important to the user of your financial statements). When evaluating materiality of identified misstatements, certain quantitative and qualitative factors must be considered—which may include:

- Impact on operating trends (revenue/income, expenses, net income, etc).
- Nature of the misstatement (i.e., did the misstatement result from an unlawful transaction?).
- Impact on liquidity, capital/surplus, earnings capacity, etc.
- Impact to loan covenants and contractual and regulatory requirements.

Consistent communication is a key to completion of the audit. By ensuring constant involvement, we are in a better position to respond to your issues timely and efficiently. Therefore, we plan to meet with your management to:

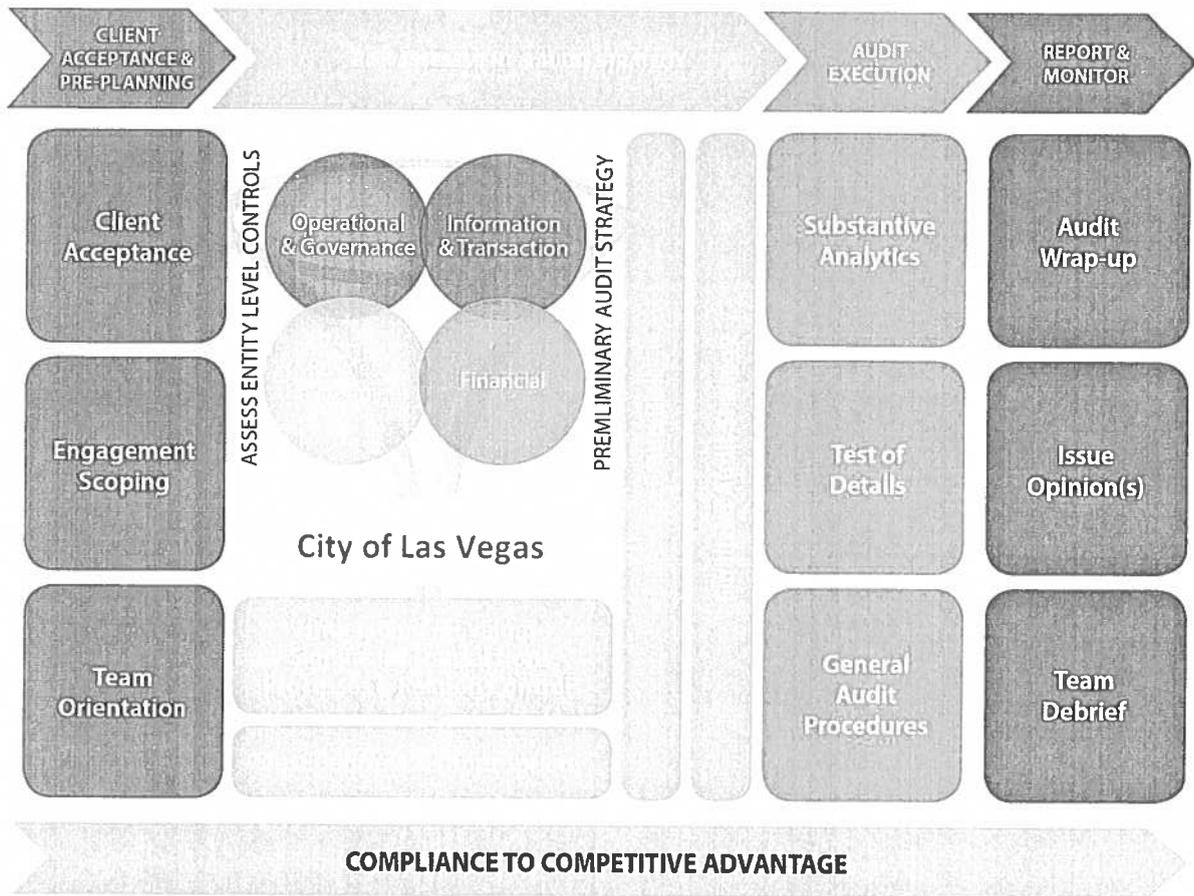

- Set-up the audit by reviewing the mapping of Las Vegas' financial information (financial statements and notes) to significant processes and IT systems to ensure that all significant account balances, transactions, procedures, and systems are tested as deemed necessary.
- Discuss ongoing changes—specifically new accounting pronouncements and key business transactions in their early stages, enabling us to agree on the resolution of various complex business issues on a timely basis.

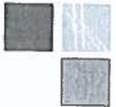

WORK REQUIREMENTS & AUDIT APPROACH

CRI AUDIT APPROACH

Our audit approach is a four stage approach, as depicted in the summary below. Our client acceptance and risk assessment procedures (as noted on the previous page) occur during detailed conversations and observations with your team. The results of those procedures allow us to tailor an audit program to your specific risks and needs. We then execute the audit, report the results, and evaluate continuous improvement opportunities for ongoing service and benefit to you.

Stage 1: Client Acceptance & Pre-planning

- Perform client acceptance procedures where necessary.
- Collaborate with management to agree to expectations and scope.
- Assign appropriate staff to engagement based on client needs and assessed risk.

Stage 2: Risk Assessment & Audit Strategy

Interview client personnel and others, as necessary to understand client-specific objectives and risks.

Assess environmental and other external risks and potential impact on the audit planning.

Assess entity level controls including: control environment, risk assessment, information & communication, and monitoring controls.

Assess management's fraud and IT risk assessment models. Develop independent fraud and IT risk assessment.

Assess IT General Computer (ITGC) controls, such as IT Environment, Developing & Delivering IT, and Operating IT & Monitoring IT.

Assess materiality.

Perform preliminary analytical procedures.

Map financial statements to significant transactions, processes, IT systems and related controls.

Develop understanding of significant processes and related controls.

Determine existence of/reliance on SSAE 16 (formerly SAS 70(s)).

Test controls including ITGC, as and if deemed appropriate. Tests will include a mix of:

- inquiry,
- observation,
- examination and
- re-performance.

Determine reliance on Internal Audit, if applicable (e.g. controls or detailed tests).

Determine reliance on specialist(s), if applicable (e.g. valuations, pension costs, etc.).

Finalize risk assessments and develop final audit strategy.

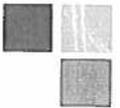

Stage 3: Audit Execution

- Where possible, develop detailed analytical procedures to use as substantive tests to reduce tests of details. Examples include:
 - ratio analysis,
 - regression analysis,
 - trend analysis,
 - predictive tests or
 - reasonableness tests.
- Where possible utilize Computer-Assisted Audit Techniques (CAATs), such as IDEA or ACL to automate testing for more coverage and less disruption to the client.
- Where possible, perform targeted testing (also known as "coverage" testing) of account balances to tests large portions of account balances.
- Perform tests of details, including sampling, if applicable or necessary.
- Perform general audit procedures, as and if applicable, such as tests related to:
 - commitments and contingencies,
 - legal letters,
 - management representations,
 - reviews of Board minutes,
 - related party transactions,
 - debt covenants and
 - going concern.
- Perform other tests for compliance such as Yellow Book or Single Audit Tests.

Stage 4: Report & Monitor

- Continually monitor the audit and provide feedback as agreed during scoping or more frequently, as deemed appropriate.
- Conclude the audit (i.e. issue opinions and/or reports).
- Develop and present required communications, including management letter comments.
- Perform an internal team de-briefing to identify areas for improvement.
- Welcome the opportunity for an external de-briefing with our clients to improve.

WORK REQUIREMENTS & AUDIT APPROACH

PROPOSED AUDIT STRATEGY

GAAP provides a conceptual framework for accounting, financial reporting, and disclosure. Your application of GAAP varies depending on your facts and circumstances—and interpretations.

Our general audit approach as described above is tailored to address the nature and inherent risk of each area. For significant areas, we will:

- Meet with management to gain an understanding of management’s processes and controls.
- Assess and test such controls, as necessary.
- Perform substantive analytical audit procedures and tests of details, as appropriate.

In certain complex areas, we may use functional specialists (e.g. information technology [IT], valuation of investments, and review of actuarial assumptions and calculations) to assist in the evaluation of complicated transactions and judgmental account balances. Additionally, we will review the financial statement disclosures and evaluate the overall transparency of Las Vegas’ financial reporting.

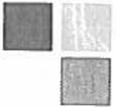

Taking into account various items related to Las Vegas, such as—but not limited to—industry expertise, knowledge of your organization, preliminary risk assessments, materiality, and the judgmental nature of the accounts, we have outlined below the key areas of audit focus and our proposed strategy.

| PROPOSED AUDIT STRATEGY | | | | | | |
|---|---------------|------------------|------------------------|-----------------|--------------|--|
| Significant Areas | Level of Risk | Test of Controls | Substantive Procedures | | | Notes |
| | | | Analytics | Test of Details | Use of CAATs | |
| Fraud risks | Medium | ✓ | ✓ | ✓ | ✓ | <ul style="list-style-type: none"> - Will meet AICPA requirements of fraud testing. - Fraud is considered an intentional act that results in a material misstatement of the financial statements. - We will gather information to identify risks of material misstatement due to fraud, and evaluate processes that address fraud. |
| Financial reporting | Medium | ✓ | | ✓ | ✓ | <ul style="list-style-type: none"> - Period-end financial reporting is critical; financial reporting compiles/reconciles detailed information from underlying processes and systems. |
| Other estimates and contingencies | Medium | | ✓ | ✓ | | <ul style="list-style-type: none"> - Compensated absences – we will perform tests of details and substantive analytics to substantiate accuracy of account balance. |
| Manual journal entries | Medium | ✓ | | ✓ | ✓ | <ul style="list-style-type: none"> - Manual journal entries are risky. |
| Entity level controls | Medium | ✓ | | | | <ul style="list-style-type: none"> - We will gain an understanding of the control environment, risk assessment, monitoring, information and communication channels to determine the nature, timing, and extent of reliance on and tests of controls; we use all of the above to build the audit approach. - Our goal is to leverage management’s processes to the degree possible, which increases efficiency. |
| IT systems | High | ✓ | ✓ | ✓ | ✓ | <ul style="list-style-type: none"> - Underlying financial and operational systems supporting the key business cycles play a critical role in the ability to generate and compile complete and accurate financial data. - The IT security, computer operations and program change controls for financially significant applications are vital. |
| Capital assets and related expenditures | Medium | | ✓ | ✓ | ✓ | <ul style="list-style-type: none"> - Capital assets are significant due to the account balance and susceptibility to misappropriation. |

WORK REQUIREMENTS & AUDIT APPROACH

| PROPOSED AUDIT STRATEGY | | | | | | |
|---|---------------|------------------|------------------------|-----------------|--------------|--|
| Significant Areas | Level of Risk | Test of Controls | Substantive Procedures | | | Notes |
| | | | Analytics | Test of Details | Use of CAATs | |
| Accounts payable and related expenditures | Medium | | ✓ | ✓ | ✓ | - Accounts payable are significant due to the account balance and number of transactions impacting accounts payable and the related expense accounts. |
| Payroll, related liabilities and payroll expenditures | Medium | ✓ | ✓ | ✓ | ✓ | - Payroll liability accounts and related expenditures are significant due to the account balance and payroll expenditures comprise a significant portion of Las Vegas' expenditures. |
| Long-term debt / debt covenants | Medium | | ✓ | ✓ | | - Debt may be significant due to the size of account balance and covenants associated with debt. - We will perform tests of compliance through substantive analytics and confirmation of certain data with creditors and other third-parties. |
| Deferred revenue | Medium | | ✓ | ✓ | | - Deferred revenue is significant due to the size of account balance. |
| Revenue recognition (including utilities and housing) | High | ✓ | ✓ | ✓ | ✓ | - We will test revenue systems and processes and perform a combination of substantive analytical procedures and tests of details to test this area. |
| Cash and cash equivalents | Low | | | ✓ | | - Cash is significant because of the large account balance and number of transactions impacting account. |
| Accounts receivable (including utilities and housing) | High | ✓ | ✓ | ✓ | ✓ | - Accounts receivable are significant due to the account balance, number of transactions and issues related to estimates associated with the allowance for doubtful accounts. |

WORK REQUIREMENTS & AUDIT APPROACH

PLANS FOR AGENCY STAFF

Our plan is to work closely with Las Vegas', and the Housing Authority's, management and staff to develop an integrated audit effort that results in coverage of all appropriate areas. We will conduct interviews with your staff to further develop our understanding of Las Vegas and its fiscal environment. We will provide a list of items needed prior to and during fieldwork. During our audit process we may from time to time need additional information or to follow-up with any questions that arise during the audit process.

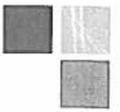

We plan on working collaboratively in the field with Las Vegas throughout the engagement. We will work in an organized manner, with significant preparation occurring prior to our arrival on-site. Our service model has been built on the premise that we know your day-to-day duties do not pause during the audit fieldwork. We have structured the team, conducted specialized training, and incorporated planning mechanisms to ensure you have a seamless experience with CRI.

SUBSEQUENT YEARS

As part of our philosophy of constant improvement, we will meet with Las Vegas', and the Housing Authority's, management after the audit to capture improvement ideas while they are fresh in the minds of the individuals who were involved.

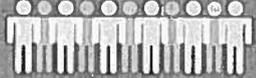

As the subsequent year-end approaches we will meet again to ensure the ideas we came up with are still applicable and develop a plan to implement those improvements. The plan is not to focus on negative areas or events of the audit, but to analyze areas and events that were successful, and use the gained knowledge and apply it where it is needed.

We review and refine our audit approach each year to compensate for changing conditions, changing risk, or special emphasis on matters as requested by our clients. We begin to plan, with you, the next year's audit at the exit conference of the current year's engagement so that our multi-year arrangement will be smooth and continually improving.

Spotlighting Our Expertise

“During the 7 years we have worked with Carr, Riggs & Ingram, I have found that their team has tremendous expertise in local government financial operations. They have demonstrated a keen understanding of our risks and worked with our city officials to develop sensible solutions to mitigate those risks. Moreover, they have provided us with a number of suggested “best practices” in day-to-day operations and have helped document the way we do things. I can say without question that Carr, Riggs & Ingram has truly made a measurable difference for the City of Moultrie and its finance department. I would recommend them for any work for which they are under consideration.”

*Gary McDaniel, Finance Director

RELEVANT EXPERIENCE

CRI delivers a depth of resources that ensures our understanding of your challenges and innovative solutions for overcoming them. Our governmental team's combined experience is derived from providing financial and single audit services to a client base that includes more than 450 governmental entity clients totaling approximately \$22 billion in total revenues. We parlay this vast experience and derived best practices into proven solutions that benefit you.

The CRI Albuquerque office, which will be primarily responsible for this engagement, has extensive experience planning, coordinating, preparing, and submitting audit engagements, and the related required reports, for government entities such as Las Vegas. The Albuquerque office currently provides professional auditing services to approximately 55 government entities annually, which included 12 municipalities last year alone. A listing of our recent New Mexico municipality and housing authority experience, and the fiscal years we have audited includes:

CONTINUING PROFESSIONAL EDUCATION

CRI understands comprehensive training is integral to help shape employee success and that the quality of a professional services firm is determined by its people and the firm's investment in them. Therefore, we have a comprehensive plan to provide quality training to our team and ensure high quality services are routinely provided to you. This plan includes:

- Technical Training at CRI's CPE Week: Firm-wide event enabling collaboration and networking along with over 100 in-house training sessions, including sessions specific to government auditing and accounting, single audits, and managing audit engagements.
- IT Audit Schools: We are investing in the future of audit with three progressive levels of training taught by AICPA leaders.
- CRI's Leadership Academy: Over 10 sessions related to teamwork, delegation, and business writing for emerging leaders.

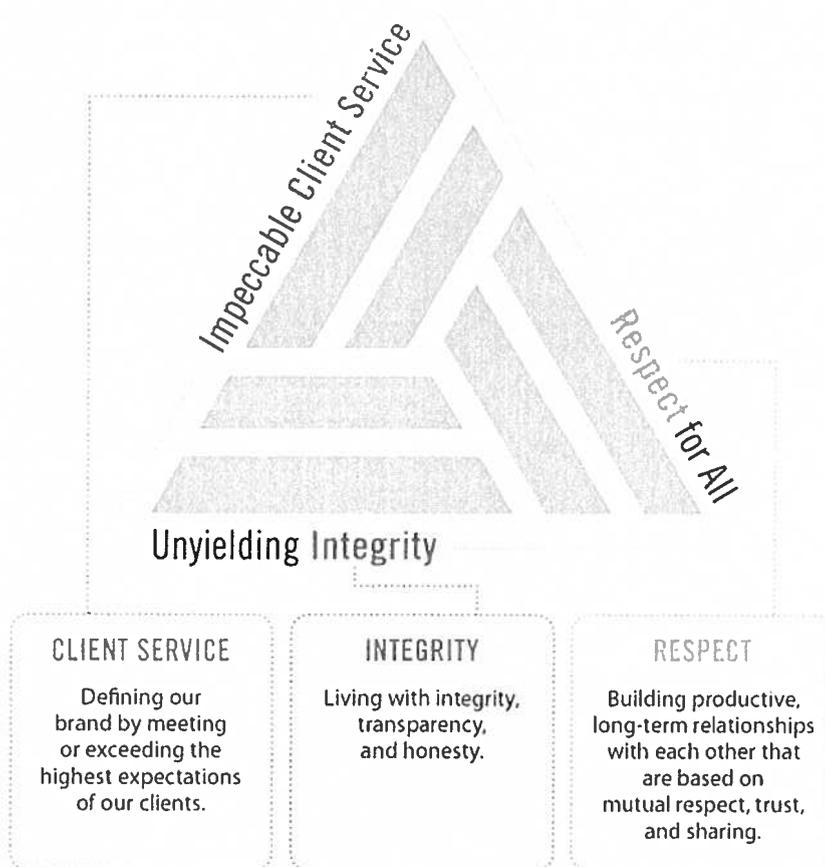

Our team works to ensure all audit staff meet or exceed the yellow book continuing professional education requirements. As an example, provided below is a list of all the CPE earned by Engagement Manager Benjamin A. Martinez during the 2016 and 2017 calendar years. Full listings for the rest of the engagement management team will be provided upon request.

IMPROVEMENT - RESPONSE TO PEER REVIEW REPORT

One improvement our firm has had made is in relation to our peer review. In response to recommendations made by the peer reviewer, CRI worked our newly acquired Albuquerque SPU (formerly RPC CPAs + Consultants, LLP) in order to implement a multi-tier review process for all audit engagements with Single Audits. All single audits, firm-wide, are subjected to an additional layer of review by our Single Audit specialist, Gwen Vogt who is located in our Albuquerque Office and is scheduled to assist the engagement team with any technical guidance related to the federal awards received by Hobbs Schools. Further details on this change is provided in our response to the Peer Review Report in the [APPENDIX](#).

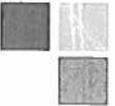

YOUR SERVICES & FEES

We value creating mutually-rewarding, long-term relationships with our clients. Our goal is to provide high quality, responsive service that yields returns far greater than your investment in our professional fees. Please find below our proposal of fees to provide the requested services for the upcoming three respective fiscal years. The composite rate provided below includes personnel services, travel and other out-of-pocket audit-related expenses, and a discount from our standard hourly rates. New Mexico gross receipts taxes will be shown separately on your invoices.

| Financial Statement Preparation and Printing Assistance | 6,250 | 6,250 | 6,250 |
| Component Unit (Housing Authority) | 10,000 | 10,000 | 10,000 |
| Other Non-Audit Services | - | - | - |
| Subtotal | 87,500.00 | 87,500.00 | 87,500.00 |
| NM Gross Receipts Tax (7.5%) | 6,562.50 | 6,562.50 | 6,562.50 |
| Total Compensation | \$94,062.50 | \$94,062.50 | \$94,062.50 |

Our professional fees are based on the key assumptions that Las Vegas will:

- Make documents and work papers available for review at Las Vegas’ headquarters location, although we may choose to review at alternate locations.
- Prepare certain schedules and analyses and provide supporting documents as requested.
- Assist us in further developing our understanding of the accounting systems of Las Vegas.
- Not experience a significant change in business operations or financial reporting standards.

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to Chapter 81, Laws of 2006, any prospective contractor seeking to enter into a contract with any state agency or local public body must file this form with that state agency or local public body. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

“Applicable public official” means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official’s behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

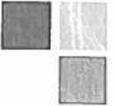

“Contract” means any agreement for the procurement of items of tangible personal property, services, professional services, or construction.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Person” means any corporation, partnership, individual, joint venture, association or any other private legal entity.

“Prospective contractor” means a person who is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person qualifies for a sole source or a small purchase contract.

“Representative of a prospective contractor” means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

PEER REVIEW REPORT

System Review Report

To the Partners of Carr, Riggs & Ingram, LLC
and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Carr, Riggs, & Ingram, LLC (the "firm") applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended June 30, 2016. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Auditing Standards*, audits of employee benefit plans, audits performed under FDICIA, and examinations of service organizations [Service Organizations Control (SOC) 1 and 2 engagements].

We noted the following deficiency during our review:

1. Deficiency – The firm's quality control policies and procedures with respect to engagement performance, including engagement partner review, as well as firm training for partners and staff, do not provide partners and staff with a means of ensuring that all necessary procedures are performed and/or procedures performed are appropriately documented, in the performance of Single Audit engagements. As a result, we identified performance and documentation deficiencies in each of the Single Audit engagements reviewed, and in the case of several engagements, deficiencies such that the engagements were considered to not have been performed in accordance with professional standards in all material respects.

Recommendation – The firm should provide appropriate training to all firm personnel assigned to Single Audit engagements to ensure an understanding of the procedures required to be performed, as well as related documentation requirements. We also recommend that the firm consider whether additional quality control policies should be implemented with respect to these engagements, including a requirement for EQCR to be performed on all Single Audit engagements and the establishment of defined qualification requirements to serve as an engagement partner on Single Audit engagements.

300 Nicollet Mall, Ste. 1300 | Minneapolis, MN 55402-7033 | T 612.253.6500 F 612.253.5600 | EOE

In our opinion, except for the deficiencies previously described, the system of quality control for the accounting and auditing practice of Carr, Riggs, & Ingram, LLC applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended June 30, 2016, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Carr, Riggs, & Ingram, LLC has received a peer review rating of *pass with deficiency*.

Re: 2016 Peer Review of Carr, Riggs & Ingram, LLC

Ladies and Gentlemen:

This letter represents our response to the report issued in connection with the peer review of the firm's system of quality control for the accounting and auditing practice in effect for the year ended June 30, 2016. The corrective actions discussed in this letter will be monitored to ensure that they are effectively implemented as part of our system of quality control.

We believe that we have strong policies and procedures, as well as training; we believe that this is demonstrated by the fact that in November 2016 (based on our continuous monitoring and annual internal inspection), we communicated our two-part plan to (1) transition our audit approach from a general firm approach to more a more industry-specific focus and (2) modification and development of courses to address issues identified during monitoring. We believe these actions are sufficient to address the matters found in our internal monitoring functions and the peer review process.

Quality Control and Process Changes – The firm instituted a plan to:

1. transition all Single Audit engagements to centralized team lead by select partners, who would carry-out a stream-lined, focused industry-specific version of our audit approach;
2. require the use of selected tools and practice aids to document procedures, specifically designed for Single Audit engagements; and
3. require, prospectively, an EQCR by a firm-designated specialist for all Single Audit engagements.

These policy and procedure changes were being implemented prior to the current recommendation by the Peer Review team.

Training – An EQCR training session and a Single Audit Specialist training session for these teams were held with our designated partners and EQCRs in April 2017. Those courses as well as mandatory May 2017 CPE Week Single Audit courses (developed and facilitated with external instructors from a firm that provides AICPA Enhanced Oversight) focused on our audit methodology, as well as expected use of newly implemented tools, in these areas:

- (1) Common Governmental Audit Deficiencies,
- (2) Single Audit Case Study (walkthrough of an actual case study),
- (3) Single Audit Practical Exercises (focus on risk assessment and linkage to procedures), and
- (4) Process and Internal Control Documentation for Governmental Entities.

Monitoring – We will monitor these corrective actions through emphasis in our monitoring procedures and internal inspection. In addition to this internal emphasis, and while we believe our internal monitoring to be robust and effective, we have voluntarily engaged an independent AICPA Enhanced Oversight reviewer to supplement our normal internal monitoring function during the early stages of adoption.

We believe these actions are responsive to the findings of the review.

Please contact Jon Heath at 334.348.1320 with any questions regarding the details of our response.

Respectfully submitted,

Carr, Riggs & Ingram, L.L.C.

CITY OF LAS VEGAS
PROPOSAL FOR AUDIT SERVICES
For the Years Ended June 30, 2018, 2019, and 2020

PROPOSAL SUMMARY

The firm of Hinkle + Landers, P.C. appreciates the opportunity to submit our qualifications to conduct the independent **audit services** for *City of Las Vegas (City)* for the year ended **June 30, 2018, 2019 and 2020**.

We recognize the *City's* need for an accounting firm that specializes in government financial and compliance audits and will conduct your audit timely and efficiently. We believe this proposal demonstrates our firm's professional qualifications, governmental auditing standards accounting expertise, and most importantly, our commitment to exceptional client services and performing the work within the time-period.

We have been a stable governmental expert and local provider to NM governments for **46 years**. We have served over **150 governmental and non-profit entities**, of all sizes and complexity.

We have significant experience auditing Municipalities. We are also highly experienced in assisting clients with guidance and implementation for GASB reporting standards, including GASB 68 and 82 related to PERA.

Not only do we serve clients well, we serve the profession, leading at the local, state, and federal levels in organizations such as the AICPA, AGA, and NM State Board of Accountancy.

We believe in a cooperative partnership that results in a mutually beneficial and long-term relationship. With Hinkle + Landers, PC, you will receive the following:

- **Specialize in Government Auditing** – In our role as auditors and business advisors to state and local government organizations since 1972, we have found that one of the most common and difficult challenges for any organization is in the finance area. Realizing these specific challenges and knowing **best practices** for state and local governments in New Mexico allows us to be a trusted resource. All of our staff are experienced, and we use a cross-functional team. This gives all staff an extensiveness of knowledge, which creates efficiencies and allows for a more thorough audit to be performed.
- **Beneficial Advice** — We can offer best practices related to internal controls that are cost effective yet mitigate risks for the Organization.
- **Collaborative** – We use a collaborative style while staying independent. Through this style we are able to communicate useful knowledge to you, the client, and we learn valuable information about your organization that makes us better accountants. This results in a "**win-win**" for you the client, and us the firm in performing the engagement.
- **Full-Time Audit Staff** – Hinkle + Landers, does not work with "Seasonal Audit Contractors". We believe it is important to be able to contact your auditors year-round. This results in a **better product, higher quality of service, and long-term relationships**. Our 46 years of experience is a testament to this policy.
- **Local expertise** – As a local CPA firm, our experience ensures the ability to complete the engagement

Professional Memberships & GAGAS Experience

Farley Vener is an appointed member of the Public Accountancy Board of New Mexico and sits on the Public Accountancy Board's Complaint Committee.

Hinkle + Landers is an active participant in the **AGA Albuquerque and New Mexico Chapters' Professional Development Training including presenting trainings.**

B. Housing Authority Experience

We have direct experience auditing housing authorities. The following details the housing authorities we have audited, and their related counties and municipalities:

| Entities | Years of Service |
|---|------------------|
| 1. City of Gallup Housing Authority (a Discrete Component Unit of the City of Gallup) | * 2016 - 2017 |
| 2. Alamogordo Housing Authority (a Blended Component Unit of the City of Alamogordo) | * 2005 - 2014 |
| 3. Doña Ana County Housing Authority (a Blended Component Unit of Doña Ana County) | * 2010 - 2012 |
| 4. City of Española Public Housing Authority (a Blended Component Unit of the City of Española) | * 2005 - 2005 |

* denotes that a Uniform Guidance Single Audit was also conducted

C. Single Audit Experience

We have **direct experience auditing many different federal programs** in counties, municipalities, local, and state governments. Some examples of the programs we have audited are as follows:

- Community Development Block Grants (CFDA 14.228) and the 2016 Federal Forest Reserve Title I & 2012 RAC V-Title II Monies (CFDA 10.665) for **McKinley County** (FY2017).
- Multiple programs with FEMA funding in recent years; the Performance Grant (CFDA 97.042), in FY2017 and FY2016, the SAFER Grant – Volunteer Coordinator (CFDA 97.083), in FY2017, for **Sandoval County**; and the Homeland Security Cluster (CFDA 97.067) for **Doña Ana County** in FY2015.
- Formula Grants for Rural Areas (CFDA 20.509) for the **City of Clovis** since FY2014.
- HUD Low Rent Public Housing Program (CFDA 14.850) for the **Gallup Housing Authority** a component unit of the **City of Gallup** in FY2016 and FY2017.

We have **direct experience performing single audits**. The members of your proposed audit staff have worked on a combined total of over 70 audits requiring single audits during their careers.

D. Municipality Utility Experience

We have **direct experience auditing municipalities with utilities such as the City of Gallup, City of Clovis, City of Carlsbad and City of Alamogordo**. Additionally, we performed a Forensic Audit of the City of Alamogordo’s Utility Department in 2015. We performed significant work regarding the Department’s billing and inherent risk of adjustments to bills.

E. References

The following government and non-profit organizations have similar funds, audit requirements, and funding to the **City**:

City of Clovis

We have audited for the **City of Clovis (Clovis)** since fiscal year 2009. **Clovis** is the 8th largest city in New Mexico (population approximately 39,480) with over 300 personnel.

Please call Wendy and ask her about our efficient audit process; from the PBC list, continuing to the fieldwork, and through to the submission of the audit to OSA.

City of Gallup and Gallup Housing Authority

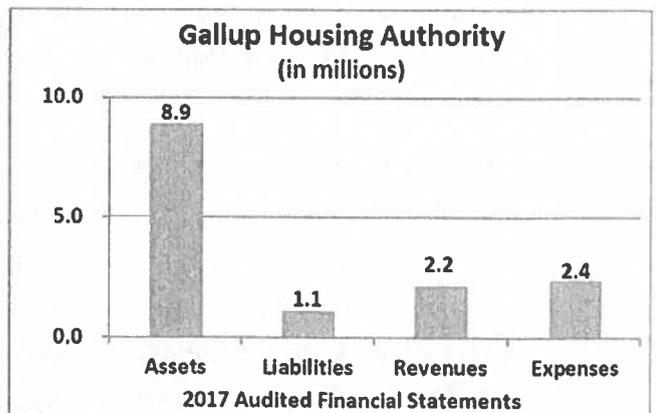

We performed the annual financial and compliance audits for the **City of Gallup** and the **Gallup Housing Authority (Gallup and GHA)** for fiscal year 2016, and expect to continue in FY18. **Gallup** is the 12th largest City in New Mexico (population around 23,240), with over 425 personnel at **Gallup** and 14 at the **GHA**.

Gallup is a home rule municipality operating under the powers granted by the constitution and laws of the State of New Mexico. **Gallup** operated under a Council-Mayor form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, public utilities (electricity, water, wastewater, and solid waste), health and social services, culture-recreation, education, public improvements, housing, planning and zoning, and general administrative services. These areas are covered during our audit.

The **Gallup Housing Authority (GHA)** is a discretely presented component unit of the **City of Gallup**. The **GHA** is responsible for providing low-income public housing services within city limits. A board appointed by **Gallup's** elected council governs the Authority. However, **Gallup** is financially accountable for the Authority because **Gallup's** council must approve any debt issuances and the legal liability for the general obligation portion of the

GHA's debt remains with **Gallup**. The **GHA** is presented as a Component Unit with separately issued

| Reports Released by OSA, Copies to the County | January 2019 |
| Data Collection Form Completion and Submission | Within 30 Days of Report Release Date |
| Download Meeting, Plan Next Year, Governance Presentation | January 2019 |

Note all dates are flexible with your timing needs and preferences, and will be tailored to your convenience.

Weekly or Bi-Weekly Status Updates

Hinkle + Landers is committed to client service. One of the tools we have found to work best in creating a successful audit, is conducting regular status-update meetings throughout the engagement. We will hold these meetings at the **City's** request and will report on the audits progress in comparison to the previously agreed-to timeline and identify any issues that have arisen. If necessary, adjustments in the audit plan will be made.

D. Audit Approach

Our audit approach will be conducted under the professional standards established by the American Institute of Certified Public Accountants, Statement on Auditing Standards, as well as the procedures in accordance with auditing standards generally accepted the United States of America. **Hinkle + Landers does not use any seasonal audit contractors or subcontractors because we believe in quality year-round service.**

CITY OF LAS VEGAS
PROPOSAL FOR AUDIT SERVICES
For the Years Ended June 30, 2018, 2019, and 2020

Based on our risk assessment, we will identify the areas that have the highest risk of misstatement and fraud and will focus our largest amount of budgeted time in these areas. In most cases; revenues, disbursements, payroll and complex programs are the areas of significant risk in an organization. We may sharpen our focus to more specific programs and allocations of shared costs between programs.

We will also review areas of concern or question that are noted by Management, City Commissioners, and Elected Officials during our Entrance Conference and preliminary meetings.

Information Technology and Data Processing

As part of our understanding of the *City's*, risk assessment and internal controls, we will use an IT internal questionnaire and will work with your IT contractor or personnel to gain a thorough understanding of how your computer system and software affects the way transactions are initiated, recorded, processed, and reported.

We will consider, but not limit our walk-through to:

1. The type of systems and what manual and automated procedures are being conducted in key departments of the *City*?
2. What is the disaster recovery plan for the organization and is it being implemented?
3. What are the security controls in place to protect sensitive data?
4. How do No. 1, 2, and 3 above impact the design and implementation of your internal controls?

We will understand and document the extent of how your computer systems affect the processing of financial transactions.

We will also conduct a walk-through of your disaster recovery plan (backup of data: is the data backed up offsite? Are the backups being tested? Are there enough backups or are backups being taped over each other and is it possible that the backup will data will not be useful because the latest backup recorded over the needed data and earlier backups are not available?) What are the controls over data and what physical controls are in place? We will request that your IT contractor certify the accuracy of the walk-through, if possible.

As we continue our planning, we will analytically review account balances to determine if there are any balances that do not appear reasonable. We will make initial inquiries to staff and management in our planning state about these accounts and audit these balances in our fieldwork stage until we believe these balances appear fairly stated.

Once we have accumulated and documented all the information above, we will design our audit programs and audit approach to perform the audit.

planning of the audit. Farley will be directly involved with all key areas of internal control design and implementation with the *City*.

Expected time: The planning and the documentation process is expected to take 80 hours. We can start this phase of the audit prior to the *City's* fiscal year-end, in June or a time that is convenient to your organization.

Provided by Client Deliverables

Next, we will prepare a list of deliverables or a "Provide by Client" (PBC) list to facilitate a timely completion of the audit. The PBC list will contain items needed to perform the examination, such as accounting policies, support for account balances, legal letter, etc.

We will use the PBC list as a document to keep us and the *City's* staff on task and accountable in order to complete the audit in a timely manner. The PBC list will document:

- a description of the item that needs to be delivered,
- who is responsible for submitting the deliverable,
- who prepared the deliverable,
- when the deliverable is due, and
- when the deliverable was actually submitted.

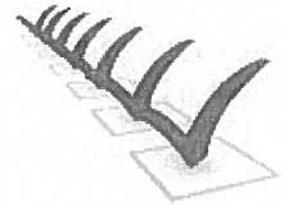

The deliverable due dates will be completed in a collaborative manner between the *City* and Hinkle + Landers. The deliverables will be required to be uploaded to Hinkle + Landers' secure client portal, with Sharefile. This portal allows deliverables to be reviewed by all parties, and to document the date/time they are provided. Additionally, it significantly reduces the amount of email requested that are made during the audit. We will be happy to assist you fulfilling the PBC list requirements.

Expected time: This will take approximately 1-2 hours. This will happen concurrently with our planning and will be submitted to the *City* in May.

Interim Fieldwork

Due to the earlier due date to the Office of the State Auditor, it may be beneficial to the *City* for Hinkle + Landers to conduct interim fieldwork. The interim fieldwork would focus on the test of transactions. This would significantly reduce the test of transactions testing that would be required once the *City's* books are closed. **Farley, Maclen, Steve, and Katelyn would be involved in this area of the audit.**

Expected time: This will take approximately 60 hours and would take place in May-June; if it is deemed necessary during our early discussions with Management, City Commissioners, and Elected Officials.

By using the PBC list, we will be able to make the audit run more efficiently, effectively, and minimize the disruption to your staff and facilitate the audit being completed in a timely manner.

Exit Conference

At the conclusion of the audit we will meet with management and/or the audit committee to present the independent audit opinion, the audited financial statements, as well as any audit findings or management advisory letter comments as required per AU-C Section 260.

Based on your preferences, we will meet with Management, City Commissioners, and Elected Officials,

as needed. We will go over the draft audit report and we will present our audit results using Microsoft PowerPoint to enhance our communication with Management, City Commissioners, and Elected Officials. The Exit Conference will meet the requirements of "Communication with those in Charge of Governance".

As part of our PowerPoint presentation we will also present in graph and table form several important financial ratios, financial trends and analytical analysis for the past five years (or more years if financial statements are available).

Our communication will also include the following:

- what audit adjustments were made,
- what audit adjustments were not made because of immateriality (if any),
- if there were any disagreements with management,
- if there were any consultations with other accountants on any issues.

Farley and Maclen will attend the exit conference.

Expected time: 1 to 2 hours.

Communication of Findings and Proposed Adjusting Journal Entries

We will communicate potential findings and proposed adjustments **as they occur** so you may research them to clear up any possible misunderstandings.

One of the final steps of the audit will be ensuring that the adjusted trial balance is approved by management. This will minimize any discrepancies in beginning net position and fund balance for the subsequent year audit.

Year-End Feedback and Survey

To ensure we are continuously providing you with excellent service, we will survey your staff at the beginning of the next calendar year. We will also have a "download" meeting after the holiday to go over what worked well, what challenges we faced together, and how to proceed for the following year.

| 4. City of Española Public Housing Authority (a Blended Component Unit of the City of Española) | * 2005 - 2005 |

* denotes that a Uniform Guidance Single Audit was also conducted

C. Single Audit Experience

We have **direct experience auditing many different federal programs** in counties, municipalities, local, and state governments. Some examples of the programs we have audited are as follows:

- Community Development Block Grants (CFDA 14.228) and the 2016 Federal Forest Reserve Title I & 2012 RAC V-Title II Monies (CFDA 10.665) for **McKinley County** (FY2017).
- Multiple programs with FEMA funding in recent years; the Performance Grant (CFDA 97.042), in FY2017 and FY2016, the SAFER Grant – Volunteer Coordinator (CFDA 97.083), in FY2017, for **Sandoval County**; and the Homeland Security Cluster (CFDA 97.067) for **Doña Ana County** in FY2015.
- Formula Grants for Rural Areas (CFDA 20.509) for the **City of Clovis** since FY2014.
- HUD Low Rent Public Housing Program (CFDA 14.850) for the **Gallup Housing Authority** a component unit of the **City of Gallup** in FY2016 and FY2017.

We have **direct experience performing single audits**. The members of your proposed audit staff have worked on a combined total of over 70 audits requiring single audits during their careers.

D. Municipality Utility Experience

We have direct experience auditing municipalities with utilities such as the **City of Gallup, City of Clovis, City of Carlsbad and City of Alamogordo**. Additionally, we performed a Forensic Audit of the City of Alamogordo’s Utility Department in 2015. We performed significant work regarding the Department’s billing and inherent risk of adjustments to bills.

E. References

The following government and non-profit organizations have similar funds, audit requirements, and funding to the **City**:

City of Clovis

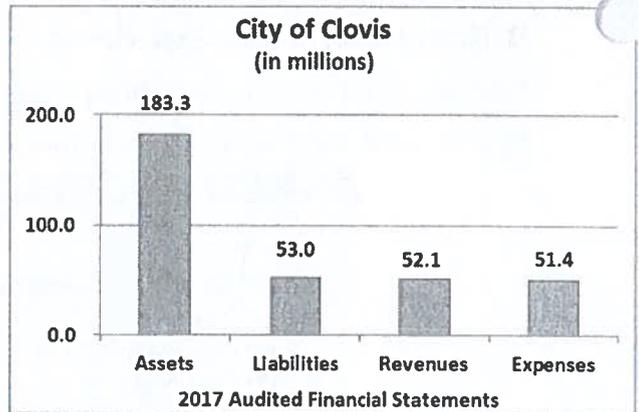

We have audited for the **City of Clovis (Clovis)** since fiscal year 2009. **Clovis** is the 8th largest city in New Mexico (population approximately 39,480) with over 300 personnel.

Clovis has a complex array of multiple government funds such as special revenue funds, capital project funds and debt service funds. **Clovis** also has proprietary funds such as solid waste, waste-water and airport funds as well as three internal services funds. All of these areas are covered during audit.

Within **Clovis'** administration, there are multiple departments such as a municipal court, police department, fire department, planning and zoning, etc..., as well as multiple cash collection sites that are all reviewed during the audit.

Clovis also required a Single Audit every year. We compiled the financial statements and notes to the financial statements each year. All audits were completed and submitted by the due date and all audits passed through the Office of the State Auditor's Office quickly. **Farley Vener has been the Engagement Partner for all years and Maclen Enriquez has been the On-Site Audit Manager since 2013.**

City of Carlsbad

We have audited the **City of Carlsbad (Carlsbad)** since fiscal year 2016. **Carlsbad** is the 11th largest city in New Mexico (population approximately 28,950) with over 500 personnel. **Carlsbad** provides

the following authorized services: public safety (police and fire), public works, water, sanitation, health and welfare, social services, culture and recreation, public improvements, planning and zoning, and general administrative services.

Additionally, **Carlsbad** contracted their Lodgers' Tax Audit with Hinkle + Landers, PC. The audit has been submitted timely and was performed by Farley Vener, CPA, CFE, CGMA.

City of Gallup and Gallup Housing Authority

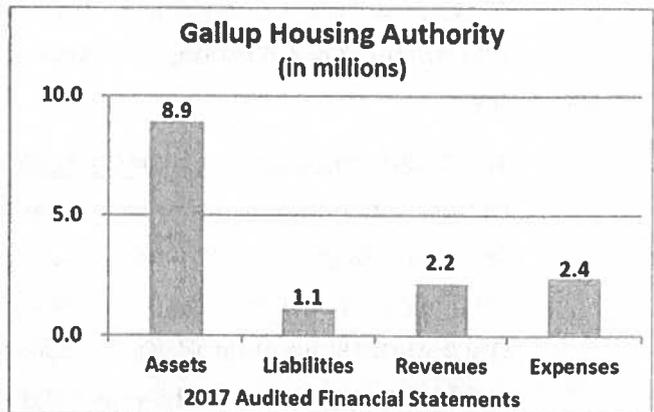

We performed the annual financial and compliance audits for the **City of Gallup** and the **Gallup Housing Authority (Gallup and GHA)** for fiscal year 2016, and expect to continue in FY18. **Gallup** is the 12th largest City in New Mexico (population around 23,240), with over 425 personnel at **Gallup** and 14 at the **GHA**.

Gallup is a home rule municipality operating under the powers granted by the constitution and laws of the State of New Mexico. **Gallup** operated under a Council-Mayor form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, public utilities (electricity, water, wastewater, and solid waste), health and social services, culture-recreation, education, public improvements, housing, planning and zoning, and general administrative services. These areas are covered during our audit.

The **Gallup Housing Authority (GHA)** is a discretely presented component unit of the **City of Gallup**. The **GHA** is responsible for providing low-income public housing services within city limits. A board appointed by **Gallup's** elected council governs the Authority. However, **Gallup** is financially accountable for the Authority because **Gallup's** council must approve any debt issuances and the legal liability for the general obligation portion of the **GHA's** debt remains with **Gallup**. The **GHA** is presented as a Component Unit with separately issued

McKinley County

We audited **McKinley County (County)** for fiscal year 2017, and expect to continue in FY18. The **County** is the 7th largest City in New Mexico (population approximately 75,000) with over 250 personnel. The **County** has a complex array

of multiple government funds such as special revenue funds, capital project funds and debt service funds. The **County** also has agency funds. All of these areas are covered during audit. The **County** provides the following services as authorized by public law: public safety (sheriff, fire, emergency medical, etc.), roads, health and welfare (social services), culture and recreation, sanitation, low rent housing assistance, planning and zoning, property assessment, tax collection, and general administrative services.

The **County** also requires a Single Audit every year. We compiled the financial statements and notes to the financial statements. The audit was completed and submitted by the due date and passed through the Office of the State Auditor's Office quickly. **Farley Vener was the Engagement Partner and Katelyn Constantin was the On-Site Audit Manager.**

III. PROPOSED AUDIT TEAMS TECHNICAL EXPERIENCE

A. Proposed Audit Team

All auditors at Hinkle + Landers, PC specialize in government audits and accounting. All members of your audit team who have a CPA license are licensed to practice as a certified public accountant in New Mexico.

Farley Vener, CPA, CFE, CGMA

Farley Vener is the **Managing Shareholder** of Hinkle + Landers, PC and will be the **Partner-in Charge** of the audit and he will be in the field conducting the risk assessment for your audit, interviewing and conducting key parts of the fieldwork.

Along with **teaching** AICPA approved **in-house trainings**, Farley presented trainings on **best practice internal controls** and **fraud prevention** to other CPAs and state and local governmental personnel at the **AGA New Mexico Chapters' Professional Development Training since 2015**.

He has been a **Certified Fraud Examiner for 13 years**, which has given him specific training and experience in the areas of fraud detection and deterrence.

He also conducts Peer Reviews of other CPAs in New Mexico and surrounding states.

In addition to being appointed to the NM Public Accountancy Board, Farley also serves on its Complaint Committee, which gives him a broader perspective of state-wide issues and allows him to be part of the solution. Farley has not had any complaints leveled against him by the NM public accountancy board or by any other regulatory authority.

Farley Vener is a member of:

- the New Mexico Public Accountancy Board (appointed),
- the American Institute of Certified Public Accountants (AICPA),
- the New Mexico Society of Certified Public Accountants (NMSCPA),
- the Association of Certified Fraud Examiners (ACFE),
- the Association of Government Accountants (AGA),
- the New Mexico State Auditor's Stakeholder's Committee.

CITY OF LAS VEGAS
 PROPOSAL FOR AUDIT SERVICES
 For the Years Ended June 30, 2018, 2019, and 2020

Katelyn Constantin, MACCT

Katelyn Constantin, Audit Manager, joined Hinkle + Landers, PC in 2011. She has specialized experience with governmental entities and nonprofits. She has a Masters in Accounting and graduated Cum Laude at the Anderson School of Management at the University of New Mexico. She is currently in the process of taking the CPA exams. Maclen has been the lead audit manager for numerous government and non-profit entities.

A few examples of audits she has served as the lead audit manager on are as follows:

| Example of Prior Relevant Experience | |
|---|--------------------------------------|
| City of Gallup & Gallup Housing Authority | City of Alamogordo |
| McKinley County | Sandoval County |
| Doña Ana County | Village of Corrales |

| New Mexico Workers' Compensation Administration | 3rd Judicial District Court's Office |

Please refer to the **Appendices** section of the proposal to review a complete list of experiences, **educational background, continuing professional education, and memberships in professional organizations.**

Continuity of Staff

Hinkle + Landers, PC has always maintained its core staff. Our goal is to maintain long-term relationships with our audit clients. To do that, we must perform at a consistently high level with our dedicated core staff.

Your audit staff includes **Farley Vener**, who has been with Hinkle + Landers, PC for over 22 years, **Maclen Enriquez**, who has been with Hinkle + Landers, PC for 9 years, **Steve Nolan**, who has been with Hinkle + Landers, PC for over 20 years, and **Katelyn Constantin**, who has been with Hinkle + Landers for 7 years.

Please refer to Resumes section to see that we maintain long-term relationships with our clients.

Availability of Your Audit Team

Farley, Maclen, Steve, and Katelyn will all be available throughout the audit, and entire year, to answer questions, have discussions, and/or provide consultations. First, we will determine the **City's** needs and then assign the proper personnel to assist you.

Staff Training and Continuing Professional Education

Please see the Continuing Professional Education (CPE) tab located in the Appendices of this proposal, to review the past 3 years of CPE for each member of the proposed audit team.

Each auditor is required to complete 40 hours of continuing professional education per year. Hinkle + Landers' performs audits of many organizations, both governmental and non-profit, therefore our in-house policy regarding CPE is that **all auditors are required to focus their CPA on governmental and non-profit audits and accounting.**

All auditors attend the State Audit Rule Training presented by the Office of the State Auditor, each year.

Additionally, the Single Audit process changed in 2016, and as a result, an **in-house policy regarding CPE is that all auditors are required to complete at least 8 hours of Single Audit CPE.** This will ensure all of our auditors are up-to-date on changes affecting Single Audit requirements.

Farley Vener also conducts AICPA approved in-house trainings.

IV. EXTERNAL QUALITY REVIEW (PEER REVIEW)

Hinkle + Landers, PC, undergoes periodic external reviews of its audits, reviews and compilation work by various entities. As required under the rules of membership of the American Institute of Certified Public Accountants and the New Mexico Society of CPAs, we submit to review our audit reports and work papers on a periodic basis.

Our last peer review was completed March 24, 2017 by Stone, McGee & Co. We received an **unmodified opinion** on the quality of our practice and the effectiveness of our quality control procedures and **no letter of comments**. This is the highest standard that can be achieved in a peer review. A copy of this report is attached in the Peer Review section of the Appendices.

Our firm, Hinkle + Landers, PC, understands the work that needs to be done and the commitment to perform the work and presentation of the audit report, by the audit deadline.

B. Tailoring Your Audit to You

We will begin your audit with a comprehensive planning and preparation stage and conclude with the timely delivery of our reports. We will work with you to coordinate and schedule the engagement to minimize potential disruptions. We will work with you to set dates that accommodate your schedule and the submission deadline. The audit programs we utilize provide typical approaches for audit areas, which we then tailor into a client-specific, risk-based audit approach. We use industry-tailored programs, procedures, and other resources that are designed specifically to focus on the areas applicable to you.

We explain exactly what we're doing and what we've found in "plain English". We will discuss our findings (if applicable) and walk through them with you so you can best determine how to address them. We believe our services are a contributing factor to better business and administrative practices. Throughout the engagement we will be working closely with the **City's** management, staff, and the governing members. This allows us to gain a better understanding of the procedures and policies that are in place. This process enables us to offer recommendations or suggestions for improvement and best practices.

When performing an audit, we are sensitive and understanding of the fact that we report to those charged with governance. We maintain objectivity and independence in order to be able to issue our audit opinions. We will act within our philosophy of total client service, maintain the professional relationship refined with management, and fulfill our responsibilities with the utmost professionalism.

| Reports Released by OSA, Copies to the County | January 2019 |
| Data Collection Form Completion and Submission | Within 30 Days of Report Release Date |
| Download Meeting, Plan Next Year, Governance Presentation | January 2019 |

Note all dates are flexible with your timing needs and preferences, and will be tailored to your convenience.

Weekly or Bi-Weekly Status Updates

Hinkle + Landers is committed to client service. One of the tools we have found to work best in creating a successful audit, is conducting regular status-update meetings throughout the engagement. We will hold these meetings at the **City's** request and will report on the audits progress in comparison to the previously agreed-to timeline and identify any issues that have arisen. If necessary, adjustments in the audit plan will be made.

D. Audit Approach

Our audit approach will be conducted under the professional standards established by the American Institute of Certified Public Accountants, Statement on Auditing Standards, as well as the procedures in accordance with auditing standards generally accepted the United States of America. **Hinkle + Landers does not use any seasonal audit contractors or subcontractors because we believe in quality year-round service.**

CITY OF LAS VEGAS
PROPOSAL FOR AUDIT SERVICES
For the Years Ended June 30, 2018, 2019, and 2020

Our audits are designed to create a comprehensive and efficient plan to meet our audit objectives, and are divided into the following segments:

| Technical Plan |
|--|
| 1. Entrance Conference |
| 2. Planning |
| 3. Interim Fieldwork |
| 4. Fieldwork (Analyticals) |
| 5. Preparation, Review, and Reporting of Audit |
| 6. Exit Conference |
| 7. Planning for Next Year |

Our plan will include meetings as needed with management to report our progress and identify any issues that arise during the audit. If necessary, adjustments in the audit plan will be made. The following is a detailed description of our audit plan.

Entrance Conference

First, we will meet with *City of Las Vegas's (City)* management and staff in an entrance conference at your office.

In these meetings, we will establish the liaisons for our working relationship. We will communicate our specific plans and expectations to conduct an efficient and thorough audit. We will discuss the AU-C 260

Communication with Those Charged with Governance, issues with Management, City Commissioners, and Elected Officials. **Farley and Maclen will attend.**

Expected time: We will be available for this meeting as soon as we are informed that we have been awarded the engagement. We estimate this will take 1 hour of meeting time.

Planning

The foundations of planning your audit will be to gain an understanding of your organization and we will document the following:

- the organizational hierarchy,
- your internal control system,
- an organizational fraud risk assessment,
- accounting policies,
- financial and management information systems, and
- specific contract and/or grant requirements based on the agreements.

We will also document the proper planning considerations to ensure we accurately audit the *City* per the latest Statement on Auditing Standards.

In addition, there are some recently issued standards that may affect the *City* audit. **This planning will be conducted mostly by Farley Vener, with assistance from Maclen, and Katelyn.**

CITY OF LAS VEGAS
PROPOSAL FOR AUDIT SERVICES
For the Years Ended June 30, 2018, 2019, and 2020

Based on our risk assessment, we will identify the areas that have the highest risk of misstatement and fraud and will focus our largest amount of budgeted time in these areas. In most cases; revenues, disbursements, payroll and complex programs are the areas of significant risk in an organization. We may sharpen our focus to more specific programs and allocations of shared costs between programs.

We will also review areas of concern or question that are noted by Management, City Commissioners, and Elected Officials during our Entrance Conference and preliminary meetings.

Information Technology and Data Processing

As part of our understanding of the *City's*, risk assessment and internal controls, we will use an IT internal questionnaire and will work with your IT contractor or personnel to gain a thorough understanding of how your computer system and software affects the way transactions are initiated, recorded, processed, and reported.

We will consider, but not limit our walk-through to:

1. The type of systems and what manual and automated procedures are being conducted in key departments of the *City*?
2. What is the disaster recovery plan for the organization and is it being implemented?
3. What are the security controls in place to protect sensitive data?
4. How do No. 1, 2, and 3 above impact the design and implementation of your internal controls?

We will understand and document the extent of how your computer systems affect the processing of financial transactions.

We will also conduct a walk-through of your disaster recovery plan (backup of data: is the data backed up offsite? Are the backups being tested? Are there enough backups or are backups being taped over each other and is it possible that the backup will data will not be useful because the latest backup recorded over the needed data and earlier backups are not available?) What are the controls over data and what physical controls are in place? We will request that your IT contractor certify the accuracy of the walk-through, if possible.

As we continue our planning, we will analytically review account balances to determine if there are any balances that do not appear reasonable. We will make initial inquiries to staff and management in our planning state about these accounts and audit these balances in our fieldwork stage until we believe these balances appear fairly stated.

Once we have accumulated and documented all the information above, we will design our audit programs and audit approach to perform the audit.

These procedures noted above are crucial to properly audit the **City** and great care will be taken to make sure they are complete. **Farley, Maclen, and Katelyn will share involvement in the planning of the audit.**

Assessing Internal Controls

The internal control structure for all significant accounting areas (and smaller areas, if requested by **City**) will be documented using questionnaires and/or narratives. We will review your policy and procedure manuals, organizational hierarchy, and prior year workpapers.

Internal Control Process

Additionally, we will document our understanding of the **City** methods of processing accounting information through interviews with personnel. Once we have all the information, we will tailor our audit programs and audit approach to more efficiently and effectively perform your audit. **Farley will minimize any disruption to your staff during this process.**

During fieldwork, we will compare the **City's design** of internal controls to how the internal controls are operating. Next, we will identify weaknesses or if improvements can be made and

discuss them with management. These procedures noted above are crucial to properly audit the **City** and great care will be taken to make sure they are complete.

Farley will be directly involved with all key areas of internal control design and implementation with the City, along with assistance from Maclen and Katelyn.

Performing Analytical Procedures

We will conduct analytical procedures during our planning stage. These procedures are effective and powerful in determining if amounts on the **City's** trial balance are reasonable.

We will compare current and prior year balances, along with actual and budgetary balances, to determine if the variances are reasonable and expected. If they are not, further understanding and test work, when needed, will be conducted for these balances during our fieldwork.

As part of our fieldwork testing, we will develop predictive tests using non-financial data to calculate an expected value and compare it to your balances on the trial balance.

We will also look at key ratios involved with changes in capital assets, long-term debt, interest expense, payroll, etc.

At the end of the fieldwork, after all adjustments by the auditors have been proposed and approved, we will review the balances for reasonableness for your organization and industry standards.

Under the leadership of Farley; Maclen and Katelyn will share most of the involvement in the

planning of the audit. Farley will be directly involved with all key areas of internal control design and implementation with the *City*.

Expected time: The planning and the documentation process is expected to take 80 hours. We can start this phase of the audit prior to the *City's* fiscal year-end, in June or a time that is convenient to your organization.

Provided by Client Deliverables

Next, we will prepare a list of deliverables or a "Provide by Client" (PBC) list to facilitate a timely completion of the audit. The PBC list will contain items needed to perform the examination, such as accounting policies, support for account balances, legal letter, etc.

We will use the PBC list as a document to keep us and the *City's* staff on task and accountable in order to complete the audit in a timely manner. The PBC list will document:

- a description of the item that needs to be delivered,
- who is responsible for submitting the deliverable,
- who prepared the deliverable,
- when the deliverable is due, and
- when the deliverable was actually submitted.

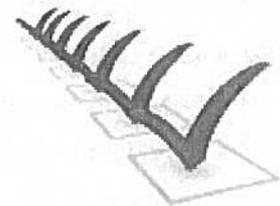

The deliverable due dates will be completed in a collaborative manner between the *City* and Hinkle + Landers. The deliverables will be required to be uploaded to Hinkle + Landers' secure client portal, with Sharefile. This portal allows deliverables to be reviewed by all parties, and to document the date/time they are provided. Additionally, it significantly reduces the amount of email requested that are made during the audit. We will be happy to assist you fulfilling the PBC list requirements.

Expected time: This will take approximately 1-2 hours. This will happen concurrently with our planning and will be submitted to the *City* in May.

Interim Fieldwork

Due to the earlier due date to the Office of the State Auditor, it may be beneficial to the *City* for Hinkle + Landers to conduct interim fieldwork. The interim fieldwork would focus on the test of transactions. This would significantly reduce the test of transactions testing that would be required once the *City's* books are closed. **Farley, Maclen, Steve, and Katelyn would be involved in this area of the audit.**

Expected time: This will take approximately 60 hours and would take place in May-June; if it is deemed necessary during our early discussions with Management, City Commissioners, and Elected Officials.

By using the PBC list, we will be able to make the audit run more efficiently, effectively, and minimize the disruption to your staff and facilitate the audit being completed in a timely manner.

Fieldwork

We will perform our fieldwork in accordance with auditing standards generally accepted in the United States of America and under the requirements of the professional auditing standards.

Our fieldwork will include performing tests of the *City's* internal controls and substantive testing of balances and transactions to determine the accuracy of the accounting data. We will also review details that make up many of the account balances during our fieldwork.

We will examine and test compliance with grants, laws, regulations, and contract provisions by testing the internal controls of the grant process and make sure the agreements are being followed properly. We will document our work through audit programs we designed in our planning stage.

Hinkle + Landers' audit staff will perform the fieldwork using a "paperless" software system with up-to-date laptop computers equipped with internet access, scanning technologies and accounting software such as **Pro Systems fx Paperless Engagement**, and Microsoft Office 365 products. Our staff has the training and experience to effectively analyze financial and non-financial data with the latest technology.

Our experience with different types of accounting software enable us to work with and extract data for export to our electronic auditing tools from systems such as **Tyler**, MIP, Triadic, Caselle, InCode, Platinum, Banner, Peachtree (Sage 50), QuickBooks, CYMA, FundWare, etc.

Farley, Maclen, and Katelyn will be involved in this area in the audit.

Expected time: The total remaining fieldwork is expected to take approximately 335 hours, which includes time allowed for documentation at our office. Final fieldwork will take place in late August and/or early September, and will ultimately be scheduled based on discussions with you.

Preparation of Audit Report

Financial statements will be prepared based on the working trial balances after the final audit adjustments have been recorded.

Our **Pro Systems fx Paperless Engagement** software enables us to organize your accounting information by self-balancing funds and permits us to compile the audited financial statements very accurately. We will prepare the notes to the financial statements and the accompanying financial schedules required using Microsoft Word and Excel. **Maclen and Katelyn will prepare the audit report and Farley will review.**

Expected time: The preparation of the financials, notes, and other schedules, for the audit is expected to take approximately 136 hours. This will take place at the conclusion of the fieldwork and will be completed in October-November of each year.

CITY OF LAS VEGAS
PROPOSAL FOR AUDIT SERVICES
For the Years Ended June 30, 2018, 2019, and 2020

Exit Conference

At the conclusion of the audit we will meet with management and/or the audit committee to present the independent audit opinion, the audited financial statements, as well as any audit findings or management advisory letter comments as required per AU-C Section 260.

Based on your preferences, we will meet with Management, City Commissioners, and Elected Officials, as needed. We will go over the draft audit report and we will present our audit results using Microsoft PowerPoint to enhance our communication with Management, City Commissioners, and Elected Officials. The Exit Conference will meet the requirements of "Communication with those in Charge of Governance".

As part of our PowerPoint presentation we will also present in graph and table form several important financial ratios, financial trends and analytical analysis for the past five years (or more years if financial statements are available).

Our communication will also include the following:

- what audit adjustments were made,
- what audit adjustments were not made because of immateriality (if any),
- if there were any disagreements with management,
- if there were any consultations with other accountants on any issues.

Farley and Maclen will attend the exit conference.

Expected time: 1 to 2 hours.

Communication of Findings and Proposed Adjusting Journal Entries

We will communicate potential findings and proposed adjustments **as they occur** so you may research them to clear up any possible misunderstandings.

One of the final steps of the audit will be ensuring that the adjusted trial balance is approved by management. This will minimize any discrepancies in beginning net position and fund balance for the subsequent year audit.

Year-End Feedback and Survey

To ensure we are continuously providing you with excellent service, we will survey your staff at the beginning of the next calendar year. We will also have a "download" meeting after the holiday to go over what worked well, what challenges we faced together, and how to proceed for the following year.

Approach for Subsequent Years/Planning for Next Year

Another distinguishing characteristic of our firm is low turnover. We encourage you to confirm this with our references or with any of our clients. Thus, the **City** can expect the same staff to return in subsequent years.

The subsequent years will be similar to the initial year, but will be a more efficient audit experience for your staff because a significant amount of planning can be “rolled forward” and updated. More importantly, we will sharpen our focus and make improvements to the audit process and ensure the process is not predictable as recommended by the auditing standards.

Plans for Working with the Staff

We request the following of the **City** Staff:

- Commitment from the top down to complete the audit timely.
- Commitment from management to continue being progressive and responsive to audit team requests.
- PBC list items as timely as possible, with little to no changes to the information provided.
- Status meetings and a high level of problem-solving focused communication.
- Collaboration on any non-audit services such as GASB Implementation (included in fee).
- Any other items outlined above, in the Audit Approach.

E. Uniform Guidance – Single Audit (If Required)

Knowledge of the Standards and Requirements

There is a higher level of oversight in recent years, and now, more than ever, it is important to work with qualified auditors who have an extensive experience with federal grants specific and similar to the **City**. Your Engagement Partner and Audit Manager(s), all have extensive experience performing single audits, take continuing professional education, and are constantly researching the OMB Uniform Guidance requirements. Therefore, you can be assured the single audit will be performed by a knowledgeable and experienced engagement team.

As you are aware the new Uniform Guidance OMB requirements are in effect for federal grants awarded on or after December 26, 2014. Hinkle + Landers, PC has extensive experience and knowledge regarding the **Uniform Guidance** Single Audit requirements and the applicable laws and regulations associated with it. Below are the resources we use to conduct the Single Audit:

- The specific grant requirements based on the grants agreements and grant awards, federal and state laws and acts,
- Audit reports and/or correspondence from grantor entities or others;
- Uniform Guidance compliance supplements, latest edition;
- Audit Guides and practice aids produced from federal or proprietary sources;
- Single Audit Act Amendment of 1996 (Public law 104-156);

CITY OF LAS VEGAS
PROPOSAL FOR AUDIT SERVICES
For the Years Ended June 30, 2018, 2019, and 2020

- Uniform Guidance, Cost Principles for State, Local, and Indian Tribal Governments, latest edition;
- Uniform Guidance, Grants and Cooperative Agreements with State and Local Governments, latest edition;
- OMB Catalog of Federal Domestic Assistance (CFDA), latest edition.

Single Audit Approach

Below is our Single Audit Approach, which follows the guidelines of the Single Audit Act and **Uniform Guidance**, beginning with identifying major programs and applicable compliance requirements.

Risk Assessment and Planning

During our risk assessment and planning process, we will gain an understanding and document:

- Your **Schedule of Expenditures of Federal Awards**, to determine if all federal grants and expenditures are accounted for.
- The requirements of **Uniform Guidance**, *Government Auditing Standards*, and the Single Audit Act and to determine if certain programs are mandated as high risk and are required to be audited per federal and local requirements. This will include any audits of these programs you have received from other auditors such as federal or state auditors.
- Identify the programs tested and any findings reported in the prior two fiscal years. Then determine and document the related program risk based on the previous two single audits.
- Using the PPC Single Audit software program, we will determine the current year major programs.
- We will obtain the current year compliance supplement for the selected programs. The compliance supplement will be used to assist us in our determination of Direct and Material compliance requirements, and then customize each audit program accordingly.
- A Risk assessment of your overall internal control structure for compliance over federal programs will be performed.
- A fraud assessment specifically for federal programs will be performed.

Method of Selecting Sample Sizes and Fieldwork

Once we have determined the programs to be audited based on our risk assessments and planning process, we will perform the audit of the programs selected in accordance with **Uniform Guidance**. Because audits of major federal programs require that we issue an opinion on the internal control over the compliance of those federal programs, we are required to select sample sizes large enough for us to give an accurate opinion.

Generally random samples run from 25 to 60, but they can be larger for programs considered higher risk or where deviations are found.

Testing is conducted in areas that are considered Direct and Material and almost always include testing for unallowable costs, unallowable activities and also will include some if not all of the remaining applicable compliance requirements such as, matching requirements, cash management, eligibility, reporting, etc.

Based on our understanding of the design of your controls over compliance and the operating

effectiveness determined from our testing, we will report our opinion on the major programs of the **Uniform Guidance** Single Audit as required by the professional standards.

Final Assessment and Reporting of Single Audit

Similar to our financial audit process, we will re-assess the risks determined in the risk assessment and planning stage of the single audit:

- We perform this re-assessment at the end of the single audit process, as changes may have occurred, which would cause the Schedule of Expenditures of Federal Awards to change.
- We will review the previously selected major programs and ensure that the selection is still valid.
- We will determine if additional audit programs and procedures are required based on our reassessments.
- We will review with the **City** any prior year federal findings, and their progress.
- Finally, we will offer our opinion on the internal control over the compliance of the federal major programs.

Throughout the Single Audit process, we will maintain our policy of open communication; with our status meetings and additional communications.

F. GASB Experience

We have applied GASB 34 and 35 and beyond to all of our governmental clients and we keep current on new GASBs and other emerging issues that are relevant to our clients. Through our continuing professional education obtained through classes and seminars sponsored by the AICPA, the New Mexico State Society and the New Mexico State Auditor and our research library we, are up to date on the Professional Accounting Standards that are needed to present your audit report accurately. We will also address the newly issued GASBs that may be relevant to the **City** in this current fiscal year, and in subsequent years.

| GASB No. | Name | Effective Period (Fiscal Year) |
|----------|--|--------------------------------|
| 75 | Accounting and Financial Reporting for Postemployment Benefits other than Pensions | 2018 |
| 83 | Certain Asset Retirement Obligations | 2019 |
| 84 | Fiduciary Activities | 2020 |
| 85 | Omnibus 2017 | 2018 |
| 86 | Certain Debt Extinguishment Issues | 2018 |
| 87 | Leases | 2021 |

Hinkle + Landers, has worked with clients in since 2015, to prepare and correctly present all requirements related to GASB 68 and 82 implementation and New Mexico’s PERA. This included calculating several entities’ Net Pension Liability, Restatements, Deferred Inflows/Outflows, and related expenses, and documenting our work with detailed workpapers using amounts provided by PERA. Additionally, we

CITY OF LAS VEGAS
PROPOSAL FOR AUDIT SERVICES
For the Years Ended June 30, 2018, 2019, and 2020

prepared the Required Supplementary Information, government-wide journal entries for the pension liability, and required notes in the Notes to the Financial Statements.

VI. COST PROPOSAL

Our fees are based on the expertise of the individuals assigned and the hours of service performed.

We have included consultation on accounting matters and questions that arise throughout the year as part of our audit fee. If there are circumstances where the **City** requests consultation or work performed that would involve considerable more time, we would charge at our hourly rates, upon your approval.

| Hourly Billing Rates | |
|----------------------|--------|
| | Rate |
| Partner | \$ 170 |
| Manager | \$ 115 |
| Staff | \$ 90 |

Hinkle + Landers enjoys long-term relationships with its clients. We understand that a first-year audit has more costs associated with it, however, we build these extra costs into our future year fees, which results in a fairly consistent fee from year to year, barring any significant changes.

This cost proposal is for the years ended **June 30, 2018, 2019, and 2020**. We will set the maximum fee and will guarantee the cost for the audit as shown in the table below.

| Year Ended | 2018 | | 2019 | | 2020 | |
|---|------------|------------------|------------|------------------|------------|------------------|
| | Hours | Cost | Hours | Cost | Hours | Cost |
| Financial Statement Audit | 455 | \$ 50,000 | 468 | \$ 51,500 | 482 | \$ 53,045 |
| Federal Single Audit | 45 | 5,000 | 47 | 5,150 | 48 | 5,305 |
| Financial Statement Preparation | 136 | 15,000 | 140 | 15,450 | 145 | 15,914 |
| Other (i.e., component units, specifically identified) | - | - | - | - | - | - |
| Provide consultation on small accounting matters and respond to questions that arise from time to time throughout the year. | No Charge | | | | | |
| Subtotal | 636 | 70,000 | 655 | 72,100 | 675 | 74,263 |
| Plus Gross Receipts Tax @ 7.8750%* | | 5,513 | | 5,678 | | 5,848 |
| Total | 636 | \$ 75,513 | 655 | \$ 77,778 | 675 | \$ 80,111 |

Note that our fees are all-inclusive (travel, lodging, personnel services, fringe benefits, overhead, etc.)

*GRT is subject to change

Hinkle + Landers, PC's policy for billing on technical matters that arise throughout the year is to not bill for questions that take 15 minutes or less that occur throughout the year.

We are, and will remain, competitive with other firms offering the same level of service. Should you have any questions about our fees, we would appreciate the opportunity to discuss them with you before your final decision.

Cost Overruns

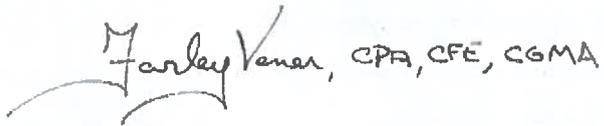

Hinkle + Landers, PC, experiences cost overruns from time to time like all audit firms do. Our policy is to absorb those overruns if it is due to taking on a new client because it is advantageous in maintaining long-term relationships.

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to Chapter 81, Laws of 2006, any prospective contractor seeking to enter into a contract with any state agency or local public body must file this form with that state agency or local public body. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"Applicable public official" means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"Campaign Contribution" means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"Contract" means any agreement for the procurement of items of tangible personal property, services, professional services, or construction.

"Family member" means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

"Pendency of the procurement process" means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

"Person" means any corporation, partnership, individual, joint venture, association or any other private legal entity.

"Prospective contractor" means a person who is subject to the competitive sealed

proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person qualifies for a sole source or a small purchase contract.

"Representative of a prospective contractor" means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

FIRM PROFILE

Hinkle + Landers, PC has been serving clients since 1972. William (Bill) Hinkle moved to Albuquerque from Denver in 1972, and in 1974, Bill incorporated his proprietorship; doing business as Bill Hinkle, CPA. Roberto Martinez, CPA joined as an audit partner in the mid 80's. At that point, the firm's name was changed to Hinkle & Martinez. In 1998, Nick Landers, CPA joined the firm as a shareholder and the name was changed to Hinkle + Landers, PC.

In 2011, Farley Vener, CPA, CFE, CGMA, who, at that time, had been with the firm for 18 years, became the **President and Managing Shareholder of the firm**. Under Farley's leadership Hinkle + Landers has been steadily growing. In 2015, H+L opened an office in **Santa Fe**.

Hinkle + Landers is different from other firms because we believe in sustaining our relationships with not only **our clients**, but also with **our staff members**. We do not work with "Seasonal Audit Contractors" because we believe it is important to be able to contact us year-round. This results in a **better product, higher quality of service, and long-term relationships**. Our 44 years in business is a testament to this policy.

Hinkle + Landers has distinguished itself by providing **personal service**, which results in **long-term relationships as a trusted partner** for over 700 clients in a variety of industries; such as non-profits, state and local governments, small businesses, and individuals. As a local CPA firm, we believe in giving back to our New Mexico community so we can make a positive difference in our state.

Hinkle + Landers strives to serve the individual needs of each client with consideration and attention to detail, to ensure that every client's needs are met with the **highest quality of work**.

These goals require our auditors to keep abreast of the latest accounting standards and pronouncements, along with changes in laws and reporting requirements allowing us the familiarity of specific technical demands of auditing nonprofits and governments. In addition, our bookkeepers, tax managers and tax preparers remain up-to-date on the latest interpretations of the tax law and accounting pronouncements. **Our clients directly benefit from this vast experience and deep expertise.**

Hinkle + Landers has a long history of providing accounting services for non-profits, **local and state governmental entities, for-profits, schools, day cares**, as well as **pension plans**. Hinkle + Landers has the resources, personnel, and experience to perform audits for small and large entities. Regardless of the size of an organization, **each client receives year-round, high quality, local service.**

We understand our clients expect services provided by their professional accounting firm to extend beyond the financial statements. We welcome the opportunity to serve, not only as **auditors**, tax preparers, and bookkeepers, but also as **professional consultants** who help you succeed in achieving your goals.

As auditors, we use a **collaborative** style while staying **independent**. Through this style we are able to communicate useful knowledge to you, the client, and we learn valuable information about your organization that makes us better accountants. This results in a "**win-win**" for you the client, and us the firm in performing the engagement.

We believe that **communication is essential to each client relationship**. We welcome your questions year-round and strive to conduct your audit with as minimal of an intrusion to you as possible. We are truly your **year-round service provider**.

Some of the services we provide include:

- financial planning,
- strategic business planning and new business set up,
- tax planning & preparation,
- estate & trust planning,
- consulting,
- part-time CFO services,
- software counseling,
- bookkeeping,
- payroll services,
- agreed upon procedures,
- CYFD Grant AUP,
- Retirement Plan Audits (401k, 403b, etc.),
- forensic and fraud audits,

Report on the Firm's System of Quality Control

March 24, 2017

To the Shareholders of Hinkle & Landers, P.C.
And the Peer Review Committee of the Colorado Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of Hinkle & Landers, P.C. (the firm) in effect for the year ended September 30, 2016. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act, and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Hinkle & Landers, P.C. in effect for the year ended September 30, 2016 has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. Hinkle & Landers, P.C. has received a peer review rating of *pass*.

Dear Farley Vener:

It is my pleasure to notify you that on September 07, 2017, the Colorado Peer Review Committee accepted the report on the most recent System Review of your firm. The due date for your next review is March 31, 2020. This is the date by which all review documents should be completed and submitted to the administering entity. If your due date falls between January and April, you can arrange to have your review a few months earlier to avoid having a review during tax season.

As you know, the report had a peer review rating of pass. The Committee asked me to convey its congratulations to the firm.

Thank you for your cooperation and support of the profession's practice-monitoring programs.

Sincerely,
