

## **PUBLIC SERVICE ANNOUNCEMENT**

**January 7, 2019**

**10:00 a.m.**

Camp Luna residents that are affected by the many water leaks in town can come to the Utilities Department at 905 12<sup>th</sup> Street and obtain potable water from the standpipe in a potable water tank or container.

If you live in the Camp Luna area and are homebound, please contact the Utilities Department at 505-454-3832 and provide your name and address and we can deliver bottled water to you.

The Water division is working diligently to restore water to all residents affected by these water leaks. We apologize for the inconvenience.
