

PUBLIC SERVICE ANNOUNCEMENT

January 9, 2019

10:00 a.m.

Due to the many water leaks in town, City of Las Vegas has been unable to provide water to the residents of Camp Luna. The City is working diligently to resolve the issue and restore water service to all residents affected by these water leaks.

The City is asking all residents, businesses, restaurants, hotels, schools etc. to reduce their water usage as much as possible in a effort to assist the City in being able to restore water to the residents of Camp Luna.

Feel free to contact the Utilities Department at 505-454-3832 with any questions. Thank you.
