

PUBLIC SERVICE ANNOUNCEMENT

March 28, 2019

8:00 a.m.

The Water division is working on an emergency main line water break in the Pecos Street area. The following areas may experience low water pressure or a water outage

- **800 Block of Pecos Street**
- **900 Block of Pecos Street**
- **Washington Ave.**
- **Columbia Ave.**
- **East National Ave.**

The division is working diligently to complete the repair as soon as possible. Feel free to call Utilities at 505-454-3832 with any questions. We apologize for the inconvenience.

PUBLIC SERVICE ANNOUNCEMENT

March 28, 2019

8:00 a.m.

Reclaimed water is planned to be available to the public on Monday, April 8, 2018, weather and operations permitting. Residential use reclaimed water may be obtained from the new automated reclaimed water stand pipe at the Utility Services Center located at 905 12th Street and commercial use reclaimed water can be obtained from the waste water treatment plant. Hours of operation will be Monday through Friday from 7:30 a.m. to 4:30 p.m. at Utilities and 7:30 a.m. to 4:00 p.m. at the waste water treatment plant. The cost of the water is \$1.25 per 1000 gallons and an additional \$.50 charge per trip.

All customers that want to get reclaimed water must stop by the Utility Services Center to sign a usage agreement and set up an account. Customers will not be able to get water until a signed agreement is on file.

Should the temperature drop below 35 degrees, effluent water will not be available and the Utilities Department and the Waste Water division will secure the stand pipes.

Re-selling of reclaimed waste water is strictly prohibited.

Please contact the City of Las Vegas Utilities Department at 505-454-3832 with any questions. Thank you.
